[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

**ZERO S-SERIES SIZING DIES** Following the resounding success of our M-Series Sizing Die, the mission became to take as many of those industry-leading features as possible and push them into a traditional 7/8" die, keeping the price point under \$300. Introducing the ZERO S-Series Sizing Die. KEY

**FEATURES** Precision Ground Expander Mandrels (all dies ship with a .002 neck tension mandrel, or add more increments with our MANDREL KIT) Full-Length Neck to Extractor Sizing Spring Ejection for Spent Primers Replaceable Steel Decap Pins Reamer Cut to Exacting Dimensions for a TRUE Size (no more sticky bolt after the second firing) Hydraulic Shoulder Pressure Relief 100% Made in AMERICA NOTE: This is for a Die-Only. These dies do not come with a shellholder. They are compatible with common shellholders from Redding, Hornady, RCBS, etc. They are also compatible with our ZERO Modular Shellholder System All dies ship with an Area 419 ZERO Universal Die Ring, a spare decapping pin and necessary install/removal tools. After testing them all, and finding everything Area 419 like and didn't like, and working with thousands of customers and a variety of industry partners, they believe this is what a 7/8" sizing die should be.

# ZERO SSERIES SIZING DIES SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the ZERO SSeries Sizing Die. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this manual carefully before use to familiarize yourself with safety guidelines and proper handling.

## General Safety Guidelines

- Always use the ZERO SSeries Sizing Die in accordance with the manufacturer's instructions.
- Ensure that the die is compatible with your reloading equipment and shellholders.
- Keep the dies out of reach of children and vulnerable individuals to prevent accidental injury.
- Inspect the die regularly for any signs of wear or damage before each use.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves while handling the die.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always ensure the die is securely mounted before use to prevent accidents.
- Avoid overtightening the die in your reloading press, as this may cause damage or malfunction.
- Be cautious when handling spent primers; they can be sharp and may cause injury.
- Do not attempt to modify the die or use it for purposes other than its intended use.
- Ensure that the area where you are reloading is clean and free from any obstructions.
- Use the appropriate mandrel for the caliber you are reloading to avoid potential hazards.

## Instructions for Installation and Usage

### 1. Installation

- Ensure your reloading press is turned off and unplugged before installation.
- Select the appropriate shellholder compatible with the ZERO SSeries Sizing Die.
- Insert the die into the reloading press and tighten securely, but do not overtighten.
- Attach the appropriate mandrel for your specific cartridge (e.g., .002 neck tension mandrel).

### 2. Usage

- Prepare your brass cases by cleaning them before sizing.
- Insert the brass case into the shellholder and raise the ram to engage the die.
- Apply consistent pressure to size the case. Ensure the die is functioning smoothly without any resistance.
- After sizing, lower the ram and remove the case from the shellholder.
- Inspect the sized case for proper dimensions and any signs of damage.

## Disposal Instructions

- Dispose of any damaged or unusable dies in accordance with local regulations.
- Do not discard dies in regular household waste. Instead, contact your local waste management authority for proper disposal methods.
- Ensure that all packaging materials are recycled or disposed of properly.

## **Contact Information for Further Support**

For any questions or concerns regarding the ZERO SSeries Sizing Die, please contact the manufacturer or your retailer for assistance. Ensure you have the product information ready for a more efficient response.

Please keep this safety instruction guide for future reference. Safe reloading!
