

# ZERO S-SERIES SIZING DIES - ZERO S-SERIES 7MM PRC SIZING DIE

ZERO S-SERIES SIZING DIES Following the resounding success of our M-Series Sizing Die, the mission became to take as many of those industry-leading features as possible and push them into a traditional 7/8" die, keeping the price point under \$300. Introducing the ZERO S-Series Sizing Die.

**KEY FEATURES** Precision Ground Expander Mandrels (all dies ship with a .002 neck tension mandrel, or add more increments with our MANDREL KIT)  
Full-Length Neck to Extractor Sizing Spring Ejection for Spent Primers  
Replaceable Steel Decap Pins Reamer Cut to Exact Dimensions for a TRUE Size (no more sticky bolt after the second firing) Hydraulic Shoulder Pressure Relief 100% Made in AMERICA NOTE: This is for a Die-Only. These dies do not come with a shellholder. They are compatible with common shellholders from Redding, Hornady, RCBS, etc. They are also compatible with our ZERO Modular Shellholder System All dies ship with an Area 419 ZERO Universal Die Ring, a spare decapping pin and necessary install/removal tools. After testing them all, and finding everything Area 419 like and didn't like, and working with thousands of customers and a variety of industry partners, they believe this is what a 7/8" sizing die should be.

# ZERO S SERIES SIZING DIES Consumer Safety Instruction Guide

## Introduction

Thank you for choosing the ZERO S Series Sizing Die. This guide provides essential safety information and instructions to ensure safe and effective use of the product. Please read this manual thoroughly before installation and use.

## General Safety Guidelines

- Ensure that you are familiar with the operation of reloading equipment before using this product.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling reloading dies and components.
- Keep the product out of reach of children and unauthorized persons.
- Inspect the die before use for any signs of damage or wear.
- Never use the die for purposes other than its intended use.
- Follow all local laws and regulations regarding the use of reloading equipment and ammunition.

## Specific Safety Precautions for Use

- Always use the die in a wellventilated area to avoid inhalation of any dust or debris.
- Do not exceed the recommended specifications for the die, including caliber and pressure limits.
- Ensure that the reloading press is securely mounted to avoid accidents during operation.
- When adjusting the die, make sure the press is in the "off" position to prevent accidental activation.
- Be cautious of sharp edges on the die and decapping pins.
- Use only compatible shellholders as specified in the product description.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading press is clean and free from debris.
- Attach the ZERO S Series Sizing Die to your press using the appropriate threads.
- Tighten the die securely, but do not overtighten, as this may damage the die or press.
- Insert the compatible shellholder into the press.

### 2. Usage:

- Prepare your brass cases by cleaning and inspecting them for damage.
- Insert the case into the shellholder and lower the ram of the press.
- Adjust the die to achieve the desired neck tension. Use the provided mandrel kit for different neck tension settings.
- Operate the press to size the case, ensuring smooth and controlled motion.
- After sizing, remove the case and inspect it for proper sizing and any defects.

## Disposal Instructions

- Dispose of any damaged or worn dies in accordance with local regulations.
- Do not dispose of the die in regular household waste. Contact your local waste management authority for proper disposal methods.
- Recycle materials where possible, following applicable recycling guidelines.

## Contact Information for Further Support

For any safety inquiries or additional support, please refer to the manufacturer's website or customer service for assistance.

By following these guidelines and instructions, you can ensure safe and effective use of the ZERO SSeries Sizing Die. Your safety is our priority, and we appreciate your commitment to responsible reloading practices.
