Safety Instruction Guide for Diving Board for Tactical OnePiece Scope Mount

Introduction

Thank you for choosing the Diving Board for Tactical OnePiece Scope Mount. This product is designed to enhance your shooting experience by providing a stable and secure platform for various accessories. To ensure your safety and the effective use of this product, please read the following safety instructions carefully.

General Safety Guidelines

- Ensure that this product is used only for its intended purpose.
- Always follow the installation and usage instructions provided in this guide.
- Regularly inspect the diving board for signs of wear or damage before each use.
- Keep this product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the weight limit specified for the diving board.
- Ensure that all mounting screws are securely tightened before use.
- Avoid using the diving board in adverse weather conditions that could affect stability.
- Do not modify the diving board in any way, as this may compromise safety.
- Use only compatible accessories with the diving board to prevent accidents.

Instructions for Installation and Usage

1. Installation:

- Ensure you have the following tools ready: a screwdriver and a compatible accessory to mount.
- Locate the patent pending dual taper mounting point on the top of the scope cap.
- Align the diving board with the mounting point.
- Insert and tighten the captive mounting screws using the screwdriver. Ensure they are secure but do not overtighten, as this may damage the mounting point.

2. Usage:

- Before use, check that the diving board is securely attached to the scope mount.
- Place your accessories, such as levels or laser range finders, on the diving board.
- When using the diving board, maintain a stable shooting position to ensure accuracy and safety.
- After use, remove any accessories and inspect the diving board for any signs of damage.

Disposal Instructions

- Dispose of the diving board in accordance with local regulations for aluminum products.
- Ensure that any components are recycled where possible to minimize environmental impact.
- Do not dispose of the product in general waste.

Contact Information for Further Support

For any questions or concerns regarding the safety or use of this product, please contact the manufacturer directly through the provided support channels. Ensure to have your product details ready for a more efficient response.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your experience with the Diving Board for Tactical OnePiece Scope Mount!
