

ARCALOCK DUAL CLAMP W/PICATINNY - AREA 419 ARCALOCK DUAL CLAMP W/PICATINNY ATTACHMENT

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipod Accessories](#)

ARCALOCK DUAL-CLAMP WITH PICATINNY Area 419 are big ARCALOCK people, and think it's the best solution for most people trying to shoot mid- to long-range. Area 419 also know that there are still a lot of rifles out there with Pic sections on the front end, or bipods that need to be used on both ARCA and Pic attachment points. Finally, they have a clamp that can do both - the ARCALOCK Dual Clamp. Precision milled from aerospace grade 6061-T6 aluminum and stainless steel, their Dual Clamp is versatile, adjustable, feature-rich, and 100% American Made Features: Adjustable tension to ensure a great fit on either mounting surface "On/Off" ARCALOCK switch for ideal fitment on either Area 419 ARCALOCK Rails or ARCA rails from other manufacturers Hardened steel pins and grabbers for exceptional picatinny lock-up ARMS 17S attachment for use with common bipods from Atlas, Thunderbeast, MDT, Magpul, Harris (with adapter) and more! This clamp is NOT directly compatible with the Two-Vets or any other tripod. NOTE: BECAUSE OF THE ADDITIONAL WIDTH OF THIS CLAMP, IT IS NOT COMPATIBLE WITH ALL AREA 419 ARCALOCK DEVICES. THIS INCLUDES, BUT IS NOT LIMITED TO: Garmin XERO Arms, RailChanger X.

ARCALOCK Dual Clamp Safety Instructions

Introduction

Thank you for choosing the ARCALOCK Dual Clamp with Picatinny Attachment from Area 419. This product is designed for versatility and ease of use, allowing you to securely mount your equipment on both ARCA and Picatinny rails. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as outlined in this manual.
- Inspect the clamp before each use for any signs of damage or wear.
- Keep the product out of reach of children and vulnerable individuals.
- If you experience any issues during use, discontinue use immediately and consult a professional.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure the clamp is properly secured to the mounting surface before use.
- Do not exceed the manufacturer's recommended weight limits for mounted equipment.
- Avoid using the clamp in extreme environmental conditions (e.g., high heat, extreme cold, heavy rain).
- Do not modify the clamp or use it in a manner not specified by the manufacturer.
- Be cautious when attaching or detaching equipment to avoid pinching fingers or causing injury.

Instructions for Installation and Usage

1. Installation

- Ensure the mounting surface is clean and free from debris.
- Align the ARCALOCK Dual Clamp with the desired mounting points on the ARCA or Picatinny rail.
- Adjust the tension of the clamp to ensure a snug fit on the mounting surface.
- Engage the "On/Off" ARCALOCK switch to secure the clamp in place.
- Doublecheck that the clamp is firmly attached before proceeding to use.

2. Usage

- Attach your equipment (bipod, etc.) to the clamp using the ARMS 17S attachment.
- Ensure that all locking mechanisms are engaged and secure.
- Regularly check the stability of the mounted equipment during use.
- If using with bipods from specific manufacturers (Atlas, Thunderbeast, MDT, Magpul, Harris), ensure compatibility with the clamp.

3. PostUse Care

- After use, remove the equipment from the clamp.
- Wipe down the clamp to remove any dirt or moisture.
- Store the clamp in a dry and safe location.

Disposal Instructions

- Dispose of the ARCALOCK Dual Clamp in accordance with local regulations.
- If the product is damaged beyond repair, ensure it is disposed of in a way that prevents injury to others.

Contact Information for Further Support

For any questions or concerns regarding the ARCALOCK Dual Clamp, please reach out to the appropriate contact point as per your local regulations.

Thank you for your attention to these safety guidelines. Your safety is our priority.
