

MAGWELL FOR GLOCK® GEN-3 17/22/31/34/35 - MAGWELL FOR GLOCK 17/22/31/34/35 GEN 3 GOLD

Guide your loaded magazine smoothly and quickly into the Glock pistol's grip with the sleek Tyrant Designs Glock Gen3 17/22/31/34/35/45 compatible Magwell. Made of high-quality materials, these carefully designed magwells make it so easy that with just a little practice, you can load a fresh magazine without ever looking at the pistol. Win competitions or defend yourself better with those added seconds. Increase your reloading speed In a competition, it can come down to microseconds. Speed is essential, no matter what the scenario, especially the time lapse between magazine changes. The enhanced ergonomics of their Tyrant Designs Glock-compatible Magwell will increase your loading speeds. Forward relief cuts provide comfort, and an aggressive funnel ensures your reloads will be quick and successful. You'll never fumble a magazine change again. In emergency situations, fumbles are the difference between life and death. In those events, these microseconds are even more important, and you never want to question if being faster might help in a self-defense scenario. How it all works The magwell adapter flares out to create a wider opening to guide the magazine into the firearm. Shaped like a funnel, it cuts down on the fumbling and the need for an exact aim to get the magazine into the firearm. Less fumbling equals faster reload speed. Designed to improve reloads Made of high-quality aluminum, these magwells designed for the Glock 17, 22, 31, 34, 35, and 45 provide weight to help improve your reloads. This weight also provides balance for your Glock. Never lose parts again with this one-piece design. Retention is more comfortable with a set screw, which is made of anodized aluminum. Functionality and retention are ensured by the underside cuts. Removal of faulty or stuck magazines will never be a problem because of the ramp and edge."

MAGWELL FOR GLOCK® GEN3 17/22/31/34/35 GOLD

Safety Instruction Guide

Introduction

Thank you for choosing the MAGWELL FOR GLOCK® GEN3 17/22/31/34/35 GOLD. This product is designed to enhance your reloading speed and improve your overall shooting experience. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Ensure that the firearm is unloaded before installing or removing the magwell.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the magwell for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure proper installation to prevent malfunctions during use.
- Use the magwell only with compatible Glock models: 17, 22, 31, 34, 35, and Gen 3.
- Do not modify the magwell or firearm in any way that may compromise safety.
- Always ensure the magazine is securely seated in the magwell before firing.
- In emergency situations, be aware that fumbles can lead to dangerous outcomes.

Instructions for Installation and Usage

Installation

1. **Prepare Your Firearm:** Ensure that your Glock is unloaded and pointed in a safe direction.
2. **Align the Magwell:** Position the magwell over the grip of the Glock, ensuring it fits snugly.
3. **Secure the Magwell:** Use the provided set screw to secure the magwell in place. Ensure it is tightened but do not overtighten to avoid damage.
4. **Check the Fit:** Ensure there are no gaps between the magwell and the grip. The magwell should be flush against the firearm.
5. **Test Functionality:** Insert a magazine to ensure it loads smoothly. Make any necessary adjustments.

Usage

- To load a magazine, align it with the magwell and push it in firmly.
- Practice reloading to become proficient without looking at the firearm.
- In competitive scenarios, practice under timed conditions to improve speed.

Disposal Instructions

- Dispose of the magwell in accordance with local regulations for metal products.
- Do not dispose of the magwell in regular household waste.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any inquiries or support regarding the MAGWELL FOR GLOCK® GEN3 17/22/31/34/35 GOLD, please refer to the product packaging for contact details of the manufacturer or visit their official website.

By following these guidelines, you can ensure safe use of the MAGWELL FOR GLOCK® GEN3 17/22/31/34/35 GOLD. Your safety is paramount, and we appreciate your commitment to responsible firearm handling.
