Safety Instruction Guide for Enhanced Takedown Pins for Glock Gen 4

Introduction

Thank you for choosing the Tyrant CNC Enhanced Takedown Pins for Glock Gen 4. This product is designed to improve the functionality of your Glock firearm. It is essential to follow the safety guidelines and instructions provided in this manual to ensure safe and effective use.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the enhanced takedown pins by following all instructions carefully. These pins are designed for Glock Gen 4 models and should not be used with other generations or brands.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a recall notice, follow the instructions provided to return or replace the product.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety regulations. Verify that the product is genuine and meets EU safety standards.
- **Special Consumer Focus:** Extra care should be taken if the product is used around vulnerable groups, such as children. Always store firearms and accessories securely out of reach.
- **EU Contact Point:** For any safety inquiries, please refer to the EU-based contact information provided by your retailer.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on product safety and potential hazards.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the takedown pins are compatible with your Glock Gen 4 model (G17, G19, G20, G21, G22, G23, G24, G26, G27, G29, G30, G31, G32, G33, G34, G35, G38, G39).
- **Installation:** Follow the installation instructions closely to avoid improper fitting that may lead to malfunction or safety hazards.
- **Inspection:** Regularly inspect the pins for signs of wear, damage, or corrosion. Do not use damaged pins.
- **Handling:** Always handle your firearm with care. Ensure that it is unloaded before installing or replacing any components.
- **Training:** Familiarize yourself with the operation of your Glock firearm and seek training if necessary.

Instructions for Installation and Usage

1. Preparation:

- Ensure your Glock is unloaded and pointed in a safe direction.
- Gather necessary tools, such as a punch tool and hammer.

2. Installation Steps:

- Remove the existing takedown pins using a punch tool to gently tap them out.
- Align the new Tyrant CNC Enhanced Takedown Pins with the corresponding holes in the Glock frame.
- Carefully insert the pins into place. Ensure they are fully seated and secure.
- Test the functionality of the pins by performing a dry run to ensure they operate correctly.

3. PostInstallation Check:

- After installation, check that the pins are securely in place.
- Perform a function check on your Glock to ensure it operates safely and correctly.

Disposal Instructions

- Dispose of any old or damaged takedown pins in accordance with local regulations.
- If you are unsure how to dispose of firearm components, contact local waste management authorities for guidance.

Contact Information for Further Support

For any questions or concerns regarding the Enhanced Takedown Pins for Glock Gen 4, please refer to the contact information provided by your retailer or manufacturer. Always ensure you are using the product safely and correctly.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is our priority.
