ALPHAMSR 1.535" Scope Mount Safety Instructions

Introduction

Thank you for choosing the ALPHAMSR 1.535" Scope Mount. This guide provides essential safety instructions, installation guidelines, and usage recommendations to ensure safe and effective operation of your scope mount. Please read this document carefully before use.

General Safety Guidelines

- Always ensure that the scope mount is installed correctly and securely before use.
- Inspect the scope mount regularly for any signs of wear, damage, or corrosion.
- Use the scope mount only for its intended purpose. Do not modify or alter the mount in any way.
- Keep the scope mount out of reach of children and vulnerable individuals.
- Familiarize yourself with the product features and specifications to ensure proper handling and usage.
- Report any unsafe products or accidents to the appropriate authorities and check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the rifle and scope are compatible with the ALPHAMSR Scope Mount specifications.
- Use only the recommended tools for installation to avoid damaging the scope mount.
- When tightening the scope mount, follow the specified torque settings:
 - To Rail (1/2in Nut): 65 in/lbs
 - To Scope (T15TORX): 25 in/lbs
- Avoid overtightening, which may lead to damage or failure of the mount.
- Do not expose the scope mount to extreme temperatures or harsh environmental conditions.
- Always check the stability of the mount and the scope before each use.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a T15TORX wrench and a 1/2in nut driver.
- Ensure that the rifle is unloaded and pointed in a safe direction during installation.

2. Installation Steps

- Place the scope mount on the desired location of the rifle's rail system.
- Align the mount with the M1913 Picatinny rail.
- Secure the mount by tightening the 1/2in nut to the specified torque of 65 in/lbs.
- Attach the scope to the mount, ensuring proper alignment, and tighten the screws using the T15TORX wrench to 25 in/lbs.

3. Usage Guidelines

- After installation, visually inspect the mount and scope for proper alignment.
- Conduct a function check to ensure that the scope is securely mounted and that all adjustments operate smoothly.
- Maintain the scope mount by cleaning it regularly with appropriate noncorrosive cleaning solutions.

Disposal Instructions

- Dispose of the ALPHAMSR Scope Mount in accordance with local regulations regarding metal waste.
- Do not dispose of the product in regular household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the ALPHAMSR Scope Mount, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's website for further assistance.

Thank you for your attention to these safety instructions. Enjoy using your ALPHAMSR Scope Mount responsibly and safely.
