ALPHAMSR 1.535" Scope Mount Safety Instructions

Introduction

Thank you for choosing the ALPHAMSR 1.535" Scope Mount from SIG SAUER, INC. This safety instruction guide is designed to ensure the safe and effective use of your scope mount. It is important to read and understand these instructions before installation and usage to avoid potential hazards and ensure compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Ensure safe use of the ALPHAMSR Scope Mount by following all instructions and guidelines provided. This product is designed for nonfood use and must be operated according to the specifications.
- **Hazard Awareness:** Be aware of potential hazards associated with improper installation or usage, including damage to the scope or firearm.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. Standardized recall notices will be provided if necessary.
- **Online Shopping Protections:** If purchased online, ensure that the retailer complies with safety requirements equivalent to those of physical stores.
- **Vulnerable Groups:** Extra care should be taken if the product is used by or around vulnerable groups, such as children.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact point as indicated by the retailer or manufacturer.
- **Rapid Alerts:** Be aware of the Safety Gate system for timely updates on unsafe products.

Specific Safety Precautions for Use

- **Installation Precautions:**
 - Ensure the firearm is unloaded before installation.
 - Use appropriate tools as specified in the installation instructions.
 - Avoid overtightening screws to prevent damage to the scope or mount.
- **Usage Precautions:**
 - Regularly inspect the scope mount for signs of wear or damage.
 - Do not exceed the recommended torque specifications during installation.
 - Ensure that the scope is properly secured within the mount to prevent movement during use.
- **Environmental Precautions:**
 - Keep the scope mount dry and clean to prevent corrosion.
 - Store the product in a cool, dry place away from direct sunlight.

Instructions for Installation and Usage

1. Installation Steps:

- Gather the necessary tools: T15TORX driver and a 1/2in nut driver.
- Ensure the firearm is unloaded and pointed in a safe direction.

- Align the ALPHAMSR Scope Mount with the M1913 Picatinny rail on your firearm.
- Secure the mount to the rail using the steel 1913 style clamps.
- Tighten the clamps to a torque of 65in/lbs using the 1/2in nut driver.
- Place the riflescope into the mount rings and ensure it is level.
- Tighten the scope rings to a torque of 25in/lbs using the T15TORX driver.

2. Usage Guidelines:

- After installation, check the alignment of the scope before firing.
- Make adjustments to the scope as necessary for optimal accuracy.
- Regularly check the tightness of the scope mount and rings before each use.

Disposal Instructions

- Dispose of the ALPHAMSR Scope Mount in accordance with local regulations.
- If the product is damaged or no longer usable, ensure it is disposed of in a manner that prevents environmental harm.
- Recycle materials when possible, following local recycling guidelines.

Contact Information for Further Support

For any questions or concerns regarding the ALPHAMSR 1.535" Scope Mount, please refer to the customer support contact provided by the retailer or manufacturer at the time of purchase.

By following these safety instructions, you can ensure the safe and effective use of your ALPHAMSR Scope Mount. Always prioritize safety and consult professionals if you have any doubts about installation or usage. Thank you for your attention to these important guidelines.
