ALPHAMSR 1.535" Scope Mount Safety Instruction Guide

Introduction

Thank you for choosing the ALPHAMSR 1.535" Scope Mount. This guide provides essential safety information and instructions to ensure safe usage and installation. Please read this manual carefully before using the product to ensure proper handling and to prevent accidents.

General Safety Guidelines

- Always handle the scope mount with care to avoid injury.
- Ensure that the installation area is clean and free from obstructions.
- Use the scope mount only for its intended purpose.
- Keep the product out of reach of children and pets.
- Regularly inspect the scope mount for signs of wear or damage.
- If you notice any defects or abnormalities, discontinue use immediately.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Do not exceed the specified torque settings during installation to prevent damage.
- Ensure that the scope mount is securely attached to the rifle before use.
- Avoid using the scope mount in extreme weather conditions that could affect its performance.
- Do not modify the scope mount in any way, as this may compromise safety and functionality.
- Always use protective eyewear when handling firearms and accessories.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a T15TORX screwdriver and a 1/2 inch nut wrench.
- Ensure you have the appropriate rifle and scope ready for mounting.

2. Installation Steps

- **Align the Mount:** Position the ALPHAMSR Scope Mount on the rifle's Picatinny rail.
- **Secure the Mount:**
 - Using the 1/2 inch nut wrench, tighten the steel clamps to a torque of 65 in/lbs.
 - Ensure that the mount is firmly attached and does not move.
- **Attach the Scope:**
 - Place the riflescope into the rings of the scope mount.
 - Use the T15TORX screwdriver to tighten the screws to a torque of 25 in/lbs.
 - Confirm that the scope is level and securely held in place.

3. PostInstallation Check

- Inspect the installation to ensure all screws and clamps are tight.
- Perform a visual check to confirm the scope is aligned correctly with the rifle.

4. Usage

- Always follow safe firearm handling practices.

- Regularly check the scope mount for looseness or wear during use.

Disposal Instructions

- Dispose of the ALPHAMSR Scope Mount in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling the product if possible, or consult local waste management services for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the ALPHAMSR Scope Mount, please refer to the manufacturer's website or customer service for assistance. Ensure you have the product details handy for a more efficient response.

By following this safety instruction guide, you can ensure the safe use and longevity of your ALPHAMSR 1.535" Scope Mount. Always prioritize safety and adhere to the guidelines provided.
