ALPHAMSR Scope Mount Safety Instructions

Introduction

Thank you for purchasing the ALPHAMSR 1.535" Scope Mount. This product is designed for secure and reliable mounting of riflescopes. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always ensure the scope mount is compatible with your specific riflescope and firearm.
- Inspect the scope mount for any damage or defects before installation.
- Follow all local laws and regulations regarding firearm accessories and usage.
- Keep the product out of reach of children and unauthorized users.
- If you experience any issues during installation or use, cease use immediately and seek assistance.

Specific Safety Precautions for Use

- Only use the ALPHAMSR Scope Mount as intended. Do not modify the product.
- Ensure that the scope mount is securely attached before use to prevent accidents.
- Regularly check the tightness of the mounting screws to ensure they remain secure.
- Avoid exposure to extreme temperatures and harsh chemicals that may damage the product.
- Use caution when handling firearms and always follow firearm safety protocols.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a T15TORX screwdriver.
- Ensure you are working in a clean and safe environment.

2. Installation Steps

- **Step 1:** Align the scope mount onto the Picatinny rail of your firearm.
- **Step 2:** Using the M1913 Picatinny clamps, secure the mount to the rail by tightening the 1/2in nut to 65 in/lbs.
- **Step 3:** Place your riflescope into the rings of the scope mount.
- **Step 4:** Tighten the scope rings using the T15TORX screwdriver to 25 in/lbs. Ensure the scope is level and properly aligned.
- **Step 5:** Doublecheck all screws and nuts for tightness before use.

3. Usage Tips

- Always check the mount and scope for stability before firing.
- Make adjustments to the scope settings as necessary for optimal performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the product in regular household waste.
- Consider recycling the product if possible.
