Safety Instruction Guide for ALPHAMSR 1.535" Scope Mount

Introduction

Thank you for choosing the ALPHAMSR 1.535" Scope Mount by SIG SAUER, INC. This guide is designed to provide essential safety instructions and guidelines for the proper use, installation, and disposal of your scope mount. Please read this guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the scope mount is compatible with your riflescope and firearm.
- Always wear appropriate eye protection when handling firearms and scope mounts.
- Keep the scope mount and all related equipment out of reach of children and unauthorized users.
- Inspect the scope mount regularly for signs of wear, damage, or corrosion.
- If you notice any defects or issues, cease use immediately and consult a qualified professional.

Specific Safety Precautions for Use

- Use the scope mount only for its intended purpose, which is to securely attach a riflescope to a firearm.
- Do not exceed the recommended torque specifications when installing the scope mount:
 - To Rail (1/2in Nut): 65 in/lbs
 - To Scope (T15TORX): 25 in/lbs
- Ensure that the scope mount is securely fastened before use to prevent accidents.
- Avoid exposing the scope mount to extreme temperatures or harsh chemicals that may compromise its integrity.
- If using the scope mount in outdoor conditions, regularly check for dirt, moisture, or debris that may affect its performance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a T15TORX driver and a 1/2in wrench.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Installation:

- Align the scope mount with the Picatinny rail on your firearm.
- Secure the mount to the rail using the provided steel 1913 style clamps.
- Tighten the clamps to the specified torque of 65 in/lbs.
- Attach your riflescope to the mount by aligning it with the rings and securing it.
- Tighten the scope ring screws to the specified torque of 25 in/lbs.

3. Usage:

- Once installed, ensure that the scope is properly calibrated and aligned.
- Test the setup in a safe environment before taking it to the field.
- Regularly check the mount and scope for stability and alignment during use.

Disposal Instructions

- Dispose of the scope mount in accordance with local regulations.
- Do not dispose of the scope mount in regular household waste.
- Consider recycling the product if possible, or consult a local waste management facility for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, product usage, or warranty information, please refer to the SIG SAUER, INC. website or contact your local authorized dealer.

By following these safety instructions, you can ensure a safe and effective experience with your ALPHAMSR 1.535" Scope Mount. Thank you for your attention to safety, and enjoy your product!
