1680D Tactical Range Bag Safety Instructions

Introduction

Thank you for purchasing the 1680D Tactical Range Bag by Evolution Outdoor, LLC. This safety instruction guide is designed to ensure the safe and effective use of your product. Please read all instructions carefully before using the bag to maximize its functionality and your safety.

General Safety Guidelines

- Ensure that the bag is used only for its intended purpose as a tactical range bag.
- Regularly inspect the bag for any signs of wear or damage. Do not use if any components are compromised.
- Keep the bag out of reach of children when not in use to prevent accidents.
- Follow all local laws and regulations regarding the transport of firearms and ammunition when using this bag.
- If you notice any unusual smells, colors, or materials, discontinue use and consult the manufacturer.

Specific Safety Precautions for Use

- Do not overload the bag beyond its capacity. The dimensions of the bag are 17" x 9" x 10.5" inches.
- Ensure all items are securely packed to prevent shifting during transport, which may cause injury.
- Use the padded shoulder strap or handle to carry the bag. Avoid lifting the bag by the zipper or pockets.
- When using the bag in outdoor environments, be aware of your surroundings to prevent accidents.
- Avoid exposing the bag to extreme temperatures, moisture, or direct sunlight for prolonged periods.

Instructions for Installation and Usage

1. Packing the Bag:

- Organize your gear using the slip pocket organization in the main compartment.
- Utilize the zippered mesh pocket on the interior lid for smaller items.
- Store firearms in the designated pistol pocket with shell loops at the front.
- Use the three additional exterior pockets for extra gear or accessories.

2. Adjusting the Shoulder Strap:

- To adjust the padded shoulder strap, locate the adjustment buckle.
- Pull the strap to lengthen or shorten it as needed for comfort.
- Ensure the strap is securely fastened before carrying the bag.

3. Using Compression Straps:

- Utilize the two compression straps on the lid to secure additional gear.
- Adjust the straps to ensure items are tightly held and do not shift during transport.

4. Cleaning and Maintenance:

- Clean the bag with a damp cloth and mild soap. Do not use harsh chemicals or abrasive materials.
- Allow the bag to air dry completely before storing it to prevent mold and mildew.

Disposal Instructions

- When the bag has reached the end of its life cycle, dispose of it responsibly.

- Check local regulations for disposal of textile materials.
- Consider donating the bag if it is still in usable condition.
