# PACESETTER RIFLE THREEDIE SETS 22 ARC Safety Instruction Guide

## Introduction

Thank you for choosing the PACESETTER RIFLE THREEDIE SETS 22 ARC. This product is designed to assist you in reloading ammunition safely and efficiently. It is essential to follow all safety guidelines and instructions to ensure a safe reloading experience. This guide provides important safety information, usage instructions, and disposal guidelines to help you use this product responsibly.

## General Safety Guidelines

- Always read and understand all safety instructions before using the product.
- Ensure that you are familiar with the operation of your reloading press.
- Use the die set only for its intended purpose as specified in this guide.
- Keep the die set and all reloading components out of reach of children and unauthorized users.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when reloading.
- Inspect all components for damage or wear before use. Do not use damaged equipment.
- Follow local laws and regulations regarding ammunition reloading.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Potential hazards include improper handling of reloading components, risk of explosion from overloading cartridges, and personal injury from sharp tools.
- **Avoiding Hazards:**
  - Always measure powder and bullets accurately using the provided powder dipper.
  - Do not exceed recommended loads specified in the load data.
  - Ensure that the work area is wellventilated and free from flammable materials.
  - Always point the firearm in a safe direction when testing ammunition.
- **AgeSpecific Warnings:**
  - This product is not intended for use by individuals under the age of 18. Adult supervision is required for younger users.

## Instructions for Installation and Usage

- **Installation:**
  1. Ensure your reloading press is securely mounted and stable.
  2. Install the Full Length Sizing Die into the press according to the manufacturer's instructions.
  3. Insert the Universal Shell Holder into the press to hold the cartridge case securely.
  4. Follow the same procedure for the Bullet Seating Die and the Factory Crimp Die, ensuring they are adjusted properly for your specific cartridge.
- **Usage:**
  1. Refer to the included load data for recommended powder types and bullet weights.
  2. Use the powder dipper to measure the appropriate amount of powder for each cartridge.
  3. Insert the cartridge case into the shell holder and size it using the Full Length Sizing Die.
  4. After sizing, add the measured powder to the cartridge case.
  5. Place the bullet on the cartridge case and use the Bullet Seating Die to seat the bullet to the desired depth.
  6. Finally, use the Factory Crimp Die to crimp the bullet securely in place.

## **Disposal Instructions**

- Dispose of any unused or expired reloading components in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste.
- Contact your local waste management authority for guidance on safe disposal of hazardous materials.

## **Contact Information for Further Support**

- For any safety inquiries, please refer to the contact point provided by your retailer or manufacturer. Ensure you have the product details ready for any support requests.

By adhering to these safety instructions, you can ensure a safe and enjoyable reloading experience with the PACESETTER RIFLE THREEDIE SETS 22 ARC. Thank you for your commitment to safety.
