FULL MESH SHOOTING VEST SAFETY INSTRUCTIONS

Introduction

Thank you for purchasing the BOB ALLEN FULL MESH SHOOTING VEST in Sage Green. This vest is designed for comfort and functionality while ensuring your safety during shooting activities. Please read this safety instruction guide carefully to understand how to use the vest safely and effectively.

General Safety Guidelines

- Ensure safe use of the vest by following all instructions provided.
- Be aware of potential hazards associated with shooting activities, including firearm handling and environmental conditions.
- Keep the vest away from children and ensure it is used only by individuals who understand safe shooting practices.
- Regularly check for any signs of wear or damage to the vest before use.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Always handle firearms with care and follow all safety protocols.
- Ensure that the vest fits properly and allows for free movement.
- Use the integrated InsertAPad compatible pocket only for approved padding materials.
- Do not overload the bellowed front cargo pockets with excessive weight, as this may affect your balance and mobility.
- Use the side tabs for waist adjustment to ensure a secure fit, preventing the vest from shifting during use.
- Store the vest in a cool, dry place away from direct sunlight to maintain its integrity.

Instructions for Installation and Usage

1. Wearing the Vest:

- Put on the vest and adjust the side tabs to achieve a snug fit around your waist.
- Ensure that the vest does not restrict your movement or visibility.

2. Using the Pockets:

- Utilize the integrated InsertAPad compatible pocket for additional support if desired.
- Store choke tubes in the designated pocket to keep them secure and easily accessible.
- Use the front cargo pockets for shotgun shell boxes; do not exceed the recommended capacity.
- Place spare shells in the extra two shell loops for quick access.

3. Maintenance:

- Regularly inspect the vest for any signs of damage or wear.
- Clean the vest according to the manufacturer's instructions to maintain its condition.
- Replace any damaged components before using the vest again.

Disposal Instructions

- When the vest reaches the end of its life cycle or is no longer usable, dispose of it in accordance with local regulations.
- Do not incinerate the vest, as it may release harmful substances when burned.
- Consider recycling options if available, to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or further assistance, please contact the manufacturer or your local retailer. Always ensure that you are using the vest in accordance with the latest safety guidelines and regulations.

Stay safe and enjoy your shooting experience!
