# Safety Instruction Guide for the Bob Allen Magnetic Barrel Protector

## Introduction

Thank you for choosing the Bob Allen Magnetic Barrel Protector. This product is designed to keep moisture and debris out of your gun barrel while ensuring safe storage and handling. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product.

## General Safety Guidelines

- Always ensure the firearm is unloaded before attaching or detaching the Magnetic Barrel Protector.
- Store the Magnetic Barrel Protector in a cool, dry place away from direct sunlight.
- Regularly inspect the product for wear and tear, and replace it if any damage is found.
- Keep the product out of reach of children and individuals who may not understand its purpose.

## Specific Safety Precautions for Use

- **Avoid Magnetic Interference:** The industrial strength magnet may interfere with electronic devices. Keep away from sensitive electronics.
- **Proper Attachment:** Ensure the Magnetic Barrel Protector is securely attached to the muzzle before use. A loose protector may fall off and lead to contamination.
- **Check for Debris:** Before using the firearm, always check that the barrel is clear of any debris or obstructions.
- **Use with Caution:** This product is designed for use with firearms only. Do not use it for any other purposes.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is completely unloaded.
- Take the Magnetic Barrel Protector and align it with the muzzle of the firearm.
- Allow the magnet to securely attach to the muzzle. You should feel a firm hold.

### 2. Usage:

- Once attached, the Magnetic Barrel Protector will keep moisture and debris out of the barrel.
- Do not attempt to fire the firearm while the Magnetic Barrel Protector is attached.
- Remove the protector before using the firearm by gently pulling it off the muzzle.

### 3. Maintenance:

- Regularly clean the Magnetic Barrel Protector with a damp cloth to remove any dirt or debris.
- Inspect the leather for any signs of wear and ensure the magnet remains strong.

## Disposal Instructions

- Dispose of the Magnetic Barrel Protector in accordance with local regulations.
- If the product is damaged or no longer usable, do not throw it in regular household waste. Check for local recycling options for leather and metal.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the Bob Allen Magnetic Barrel Protector, please reach out to your local retailer or visit the manufacturer's website for more information.

## **Conclusion**

By following these safety instructions, you can ensure the proper use and longevity of your Bob Allen Magnetic Barrel Protector. Always prioritize safety when handling firearms and their accessories. Thank you for your attention to these important guidelines.
