

VENOM 1-6X24MM SFP ILLUMINATED RIFLE SCOPE - VENOM 1-6X24MM SFP ILLUMINATED AR-BDC3 W/CANTILEVER MOUNT

VENOM 1-6x24mm SFP Illuminated Rifle Scope Speed, reliability, and downrange accuracy combine in a hardworking LPVO built for entry-level carbine users. The Venom® 1-6x24 SFP delivers true 1x-6x magnification and an AR-BDC3 reticle for accurate short- to mid-range target engagements. AR-BDC3 Reticle The illuminated, glass-etched AR-BDC3 is specifically tuned to the ballistic performance of common 5.56 loads out of an AR-15. The 1 MOA center dot provides a precise point of aim while the surrounding 16.625 MOA broken circle gets your eye into the center faster for rapid target acquisition, and the BDC keeps you on target out to 650 yards. FEATURES: Second Focal Plane - Consistent large reticle Illuminated Reticle - Provides fast target acquisition in any lighting scenario Throw Lever - The included throw lever can be installed for quick and easy magnification adjustments. VENOM 16X24MM SFP ILLUMINATED RIFLE SCOPE

Safety Instruction Guide

Introduction

Thank you for choosing the VENOM 16X24MM SFP Illuminated Rifle Scope. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read the entire guide carefully before using the scope.

General Safety Guidelines

- Always handle the rifle scope responsibly and in accordance with local laws and regulations.
- Ensure that the rifle scope is used only for its intended purpose, which is to enhance sighting accuracy for firearms.
- Keep the rifle scope out of reach of children and unauthorized users.
- Regularly inspect the scope for any signs of damage or wear. If any issues are found, discontinue use immediately.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not look directly at the sun through the scope, as this can cause serious eye damage.
- Ensure that the scope is securely mounted to the firearm to prevent it from becoming dislodged during use.
- Use the scope in a safe environment, away from people and animals, to prevent accidents.
- Always ensure that the firearm is unloaded when attaching or detaching the scope.
- Be aware of your surroundings and ensure that your shooting area is clear of obstacles and hazards.

Instructions for Installation and Usage

Installation

1. **Mounting the Scope:**
 - Use the included cantilever mount to securely attach the scope to the firearm.
 - Ensure the mount is tightened according to the manufacturer's specifications.
2. **Adjusting the Scope:**
 - Use the throw lever to make quick adjustments to the magnification settings as needed.
 - Confirm that the reticle is properly aligned with the target before use.

Usage

1. **Setting Up:**
 - Before shooting, check the parallax setting and ensure it is set to 100 yards.
 - Adjust the windage and elevation settings as necessary to align with your target.
2. **Using the Reticle:**
 - Familiarize yourself with the ARBDC3 reticle for optimal target acquisition.
 - Utilize the 1 MOA center dot for precision aiming and the broken circle for rapid target acquisition.
3. **Illumination:**
 - Activate the illuminated reticle to enhance visibility in lowlight conditions.
 - Adjust the brightness level according to your environment to avoid glare.

Disposal Instructions

- Dispose of the scope according to local regulations regarding electronic waste and firearms equipment.
- Remove the CR2032 battery before disposal and recycle it according to local battery recycling guidelines.
- Do not throw the scope in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the VENOM 16X24MM SFP Illuminated Rifle Scope, please refer to the manufacturer's website or contact their customer service for assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your VENOM 16X24MM SFP Illuminated Rifle Scope. Always prioritize safety and responsible usage. Thank you for your attention to these important details.
