LYMAN TACSTAR® STOCK ADAPTER FOR MOSSBERG® 500/590/990

TacStar's Stock Adapters are designed to allow the use of any AR-15 type telescoping stocks and pistols grips on your shotgun. Unlike some competitive polymer adapters, TacStar's are made of a tough die cast metal alloy which not only provides greater strength, but also additional weight to reduce felt recoil. Designed to perfectly match the factory receiver contours and mount up seamlessly. The adapters are designed for proper drop to use bead or ghost ring sights. The adapters will accept any standard AR-15 grip without a beavertail, or one having a flexible rubber beavertail, such as Pachmayr's, Ergo's and some Hogues. The adapter also features QD sling attachment ports on both sides. Available for Mossberg 500/590 and Remington 870 shotguns. (Does not include buffer tube or stock. **FEATURES** Versatile Compatibility: Designed to fit Mossberg 500/590 and Remington 870 shotguns, allowing for easy customization. Enhanced Durability: Constructed from tough die-cast metal alloy for superior strength and longevity. Recoil Reduction: Added weight helps to minimize felt recoil, improving shooting comfort and accuracy. AR-15 Style Adaptability: Enables the use of AR-15 type telescoping stocks and pistol grips, offering greater flexibility in stock options. Easy Installation: User-friendly design ensures quick and hassle-free installation, making upgrades simple and efficient.

# **TACSTAR® Stock Adapter for Mossberg® 500/590/990 Safety Instructions**

## **Introduction**

Thank you for choosing the TACSTAR® Stock Adapter for your Mossberg® 500/590/990 shotgun. This guide provides important safety information and instructions for proper use, installation, and disposal of the product. Please read this guide carefully to ensure safe and effective use of the adapter.

## **General Safety Guidelines**

- Ensure that the product is used only for its intended purpose as described in this manual.
- Always handle your shotgun and accessories in a safe manner, treating them as if they are loaded.
- Keep the stock adapter and all firearm accessories out of the reach of children and unauthorized users.
- Regularly inspect the adapter for any signs of wear or damage before each use.
- If you experience any issues or concerns regarding the product, discontinue use immediately and seek assistance.

## **Specific Safety Precautions for Use**

- Use only compatible shotgun models: The TACSTAR® Stock Adapter is designed specifically for Mossberg® 500/590 and Remington 870 shotguns. Using it with other models may pose safety risks.
- Be cautious with recoil: The added weight of the adapter is intended to reduce felt recoil; however, always maintain a firm grip and proper shooting stance to ensure stability.
- Ensure proper fit: Before using the adapter, ensure that it is securely mounted to the shotgun receiver and that the stock or grip is properly attached.
- Avoid modifications: Do not alter or modify the stock adapter, as this may compromise its safety and functionality.
- Use appropriate accessories: Only use AR15 type telescoping stocks and pistol grips that are compatible with the adapter. Ensure that grips do not have a beavertail unless specified.

## **Instructions for Installation and Usage**

### **1. Installation Steps:**

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Remove any existing stock or grip from the shotgun by following the manufacturer's instructions.
- Align the TACSTAR® Stock Adapter with the shotgun receiver, ensuring it matches the contour of the factory receiver.
- Securely attach the adapter using the provided mounting hardware, ensuring that it is tightened to prevent movement.
- Attach your chosen AR15 type stock or pistol grip to the adapter, ensuring it is properly secured.

### **2. Usage Instructions:**

- Always practice safe firearm handling and follow all local laws and regulations regarding firearm use.
- Regularly check the adapter and stock for tightness and integrity before each use.
- When shooting, maintain a proper shooting stance and grip to ensure control and safety.
- If you notice any unusual movement or looseness in the adapter during use, cease operation immediately and inspect the installation.

## **Disposal Instructions**

- When the TACSTAR® Stock Adapter reaches the end of its life or is no longer needed, dispose of it in accordance with local regulations.
- Metal components can often be recycled. Check with your local recycling center for proper disposal methods.
- Do not dispose of the adapter in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the TACSTAR® Stock Adapter, please refer to the manufacturer's website or customer service for further assistance. Always ensure that you are following the latest safety guidelines and product updates.

Thank you for prioritizing safety and responsible firearm use. Enjoy your TACSTAR® Stock Adapter and the enhanced performance it provides to your shotgun.
