

TOP FOCAL® ULTRA KIT INTERCHANGEABLE SHOOTING GLASSES - TF ULTRA KIT W/INTERCHANGEABLE LENSES 1.5 MAGNIFICATION

SSP EYE WEAR TOP FOCAL® ULTRA KIT INTERCHANGEABLE SHOOTING GLASSES SSP Eye Wear's comprehensive kit includes both top and bottom focal lenses, catering to the needs of shooters, instructors, mechanics, electricians, and readers alike. With this versatile solution, say goodbye to blurry sight pictures and neck strain, and hello to effortless target acquisition and enhanced visibility. Whether you're on the range or tackling overhead work, their kit ensures crystal-clear focus, making it the ultimate choice for a wide range of tasks and users. **TECHNOLOGY:** Exceeds ANSI Z87.1+2015 | UV 400 Protection | TR-90 Frame | Anti-Fog and Anti-Scratch Coatings | Distortion-free. **FEATURES:** Top Focal Lenses: Designed with magnification near the top of the lenses, Top Focal technology ensures in-focus front sights or overhead work, eliminating the need for neck strain associated with regular bottom bifocals. Anti-Fog and Anti-Scratch Technology: Enjoy uninterrupted visibility with our double-sided anti-fog coating, bonded permanently to the lens for lasting clarity. Additionally, the lenses feature a durable anti-scratch hard coating, ensuring long-term durability and performance. Optically Correct Lenses: Experience distortion-free vision with their optically correct, de-centered, shatterproof polycarbonate lenses, providing sharp peripheral vision without any blind spots. **DESIGNED FOR:** Pistol shooters, instructors, mechanics, electricians, and anyone requiring magnified vision for close-up tasks. Whether you're aiming for precision on the range or working overhead, these kits provide the clarity, comfort, and performance needed to stay on target and achieve optimal results. **INCLUDED IN BOX:** Total 6 Interchangeable Lens (3 Top focal and 3 Bottom focal lenses) in amber, clear, and smoked variations | A Neoprene Zipper Pouch | Lens Changing Instructions

Safety Instructions for TF150 ULTRA KIT, INTERCHANGEABLE SHOOTING GLASSES

Introduction

Thank you for choosing the TF150 ULTRA KIT, INTERCHANGEABLE SHOOTING GLASSES. This comprehensive kit includes both top and bottom focal lenses designed for various users, including shooters, instructors, mechanics, electricians, and readers. To ensure your safety and enhance your experience, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure the glasses are used only for their intended purpose as described in the product specifications.
- Always inspect the glasses for damage before use. Do not use if lenses are cracked or frames are broken.
- Keep the glasses out of reach of children and vulnerable individuals to prevent accidents.
- Follow all local regulations regarding the use of protective eyewear.
- Be aware of your surroundings when using the glasses to avoid accidents or injuries.

Specific Safety Precautions for Use

- **Top Focal Lenses:** Designed for magnification near the top of the lenses. Use these lenses for tasks requiring clear vision of front sights or overhead work.
- **AntiFog and AntiScratch Technology:** Ensure the glasses are clean and free from debris before use to maintain visibility. Avoid using abrasive materials that may scratch the lens.
- **Optically Correct Lenses:** Ensure that the lenses are correctly positioned for your eyes to avoid distortion. Adjust the fit to ensure comfort and clarity.
- **Age Warning:** These glasses are not suitable for children under 12 years old without adult supervision.

Instructions for Installation and Usage

1. Lens Changing Instructions:

- Open the lens changing pouch and select the desired lens color (amber, clear, or smoked).
- Align the lens with the frame, ensuring it fits securely into place.
- Press gently until you hear a click, indicating the lens is locked in.
- Repeat for the other lens if necessary.

2. Wearing the Glasses:

- Adjust the temple arms for a comfortable fit around your ears.
- Ensure the glasses sit snugly on your nose without causing discomfort.
- Check visibility through the lenses before engaging in any activities.

3. Cleaning Instructions:

- Use a microfiber cloth to clean the lenses. Avoid using any chemical cleaners that may damage the lens coatings.
- Store the glasses in the neoprene zipper pouch when not in use to protect them from scratches and damage.

Disposal Instructions

- Dispose of the glasses in accordance with local regulations regarding electronic waste and plastics.
- If the glasses are damaged beyond repair, consider recycling components where possible.
