Methow Kit Safety Instruction Guide

Introduction

Thank you for choosing the Methow Kit, Interchangeable Shooting Glasses from SSP Eyewear. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your shooting glasses. Please read this manual carefully before using the product to maximize safety and performance.

General Safety Guidelines

- Ensure that the Methow Kit is used only for its intended purpose—shooting activities including trap, skeet, sporting clay, and 5stand.
- Always inspect the glasses before each use for any signs of damage, such as cracks or scratches on the lenses or frames.
- Use the glasses in accordance with all local laws and regulations regarding shooting and eye protection.
- Keep the glasses out of reach of children and pets to prevent accidental damage or injury.
- If you experience any discomfort, irritation, or vision problems while using the glasses, discontinue use immediately and consult a healthcare professional.

Specific Safety Precautions for Use

- **Panoramic Design:** The wide visibility is designed to enhance your peripheral view. Always ensure that the glasses are correctly positioned on your face for optimal visibility.
- **Infrangible Frames:** These frames are built for maximum protection. However, avoid exposing them to extreme temperatures or harsh chemicals that may compromise their integrity.
- **Adjustable Nose Piece:** Adjust the nose piece for a secure and comfortable fit. A loose fit may lead to reduced protection.
- **Dynamic Light Management:** Be aware of changing light conditions and adjust your usage accordingly. The glasses are designed to optimize visibility but may not eliminate all glare.
- **HighTech Protection:** The glasses feature antiscratch and antifog technology. However, avoid wiping the lenses with abrasive materials to maintain their clarity.

Instructions for Installation and Usage

1. Choosing the Right Lens:

- Select the appropriate HD lens based on the lighting conditions and your shooting environment.
- To change lenses, gently press the release mechanism located on the sides of the frame.

2. Fitting the Glasses:

- Place the glasses on your face and adjust the nose piece for a snug fit.
- Ensure that the arms of the glasses fit comfortably behind your ears.

3. Using the Glasses:

- Always wear the glasses when engaging in shooting activities to protect your eyes from debris and harmful UV rays.
- Do not remove the glasses while shooting to maintain focus and safety.

4. Cleaning and Maintenance:

- Clean the lenses with a soft, lintfree cloth to avoid scratches.
- Store the glasses in the hard case provided when not in use to prevent damage.

Disposal Instructions

- Dispose of the Methow Kit responsibly, following local regulations for electronic waste and plastics.
- If the glasses are damaged beyond repair, recycle them if possible, or dispose of them in accordance with community guidelines.

Contact Information for Further Support

For any questions or concerns regarding the Methow Kit, please refer to the manufacturer's website or customer service resources. Always ensure you have the latest information and updates regarding your product.

Conclusion

Your safety is our priority. By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your Methow Kit, Interchangeable Shooting Glasses. Thank you for your commitment to safety and responsible shooting practices.
