[Firearms](#) > [Rifles](#) > [Semi-Auto](#)

DANIEL DEFENSE DDM4 V7S 5.56X45 NATO SEMI-AUTO SHORT BARRELED RIFLE The DDM4 V7S AR15 style firearm features the MFR 10.0 M-LOK rail and is built around a free-floating, Cold Hammer Forged 11.5 inch barrel. The V7S delivers optimal maneuverability, reliability, accuracy, and terminal ballistics using a wide variety of ammunition. Its carbine length gas system provides smooth and reliable cycling under harsh conditions and reduces perceived recoil. With the M-LOK attachment points that run along 7 positions and an uninterrupted 1913 Picatinny rail on top, the V7S has plenty of room for sights, optics, and accessories the user may require. Pairing an 11.5 inch barrel and the MFR Rail also ensures compatibility with a wide variety of muzzle devices and sound suppressors. The independently ambi GRIP-N-RIP Charging Handle accommodates left- and right-handed shooters. This rifle also comes with the ergonomic Daniel Defense Buttstock and Pistol Grip. NFA DISCLAIMER This firearm is a regulated item by the National Firearms Act (NFA). Please check with your local and state municipalities for any further regulatory requirements. It is the buyer's responsibility to make sure they comply with all NFA rules and applicable laws. Safety Instruction Guide for DDM4 V7S 5.56X45 NATO SemiAuto Short Barreled Rifle

Introduction

Thank you for purchasing the DDM4 V7S 5.56X45 NATO SemiAuto Short Barreled Rifle. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your firearm. It is important to read and understand these instructions before handling or using the product.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.
- Store firearms and ammunition in a secure location away from unauthorized users, especially children.
- Regularly inspect your firearm for signs of wear or damage.
- Use only the recommended ammunition type for your firearm.
- Be aware of local laws and regulations regarding firearm ownership and use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Firearm Handling:**
 - Always wear appropriate eye and ear protection when shooting.
 - Do not handle the firearm while under the influence of drugs or alcohol.
 - Ensure that the firearm is not loaded when cleaning or performing maintenance.
- **Ammunition:**
 - Only use 5.56x45 NATO ammunition as specified.
 - Do not use damaged or corroded ammunition.
- **Shooting Environment:**
 - Only shoot in designated areas where it is legal to do so.
 - Ensure a clear and safe shooting range free from obstructions and bystanders.
- **Children and Vulnerable Individuals:**
 - Never allow children or unauthorized individuals to handle the firearm.
 - Educate responsible adults about firearm safety and handling.

Instructions for Installation and Usage

Installation

1. Mounting Accessories:

- Use only MLOK compatible accessories for mounting.
- Ensure that all attachments are securely fastened before use.

2. Charging Handle:

- Use the GRIPNRIP Charging Handle to chamber a round safely.
- Always ensure the firearm is pointed in a safe direction when charging.

Usage

1. Loading the Firearm:

- Ensure the firearm is pointed downrange.
- Insert the magazine into the magazine well until it clicks into place.
- Pull back the charging handle and release it to chamber a round.

2. Firing:

- Ensure your stance is stable and your grip is firm.
- Align your sights with the target.
- Squeeze the trigger gently and steadily to fire.

3. Unloading:

- Point the firearm in a safe direction.
- Remove the magazine and pull back the charging handle to eject any chambered round.
- Visually and physically inspect the chamber to ensure it is clear.

Disposal Instructions

- Follow local regulations for the disposal of firearms and ammunition.
- If you need to dispose of the firearm, contact a licensed firearms dealer or local authorities for guidance.
- Do not dispose of ammunition in regular trash; follow hazardous waste disposal guidelines.

Contact Information for Further Support

For any questions or concerns regarding the DDM4 V7S 5.56X45 NATO SemiAuto Short Barreled Rifle, please contact your local authorized dealer or visit the manufacturer's website for further assistance.

This safety instruction guide is designed to ensure your safety and compliance with the EU General Product Safety Regulation. Please keep it for your records and refer to it as needed. Your safety is our priority.
