

MATCHKING X 6.5MM CAL .264" HOLLOW POINT BOAT TAIL RIFLE BULLETS - MATCHKING X 6.5MM CALIBER (.264") 142GR HPBT 100/BX

MATCHKING X 6.5MM CALIBER (.264") HOLLOW POINT BOAT TAIL RIFLE BULLETS Next Generation MatchKing - Meeting the needs of demanding shooters - Sierra's new MatchKing-X (MKX) line is the next evolution of Sierra's renowned MatchKing series, blending their legacy of unmatched precision with devastating performance on game. Designed with hunters in mind, the MKX delivers the same exceptional long-range accuracy and shot-to-shot consistency that Sierra is known for, while offering enhanced terminal performance for more effective and reliable results in the field. Whether you're targeting long-distance accuracy or ensuring optimal performance, the MKX is engineered to elevate your hunting experience to the next level. FEATURES: Same ogive as MatchKing counterparts: near identical BC and allows shooters to use the same seating depth. MKX bullets are held to the same accuracy standards as their MatchKing counterparts. New construction methods alter the jacket mouth and nose, enabling the jacket to expand rapidly. Softer lead core compared to a traditional MatchKing enhances expansion at lower velocities, ensuring long-range performance.

Safety Instruction Guide for MATCHKING X 6.5MM CAL .264" HOLLOW POINT BOAT TAIL RIFLE BULLETS

Introduction

Thank you for choosing the MATCHKING X 6.5MM CALIBER (.264") HOLLOW POINT BOAT TAIL RIFLE BULLETS. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the bullets and keep it for future reference.

General Safety Guidelines

- Ensure that you are familiar with the legal regulations regarding the use of ammunition in your area.
- Always store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized individuals.
- Inspect the bullets for any signs of damage or defects before use.
- Use appropriate personal protective equipment (PPE) such as safety glasses and hearing protection when handling and shooting.
- Always follow the manufacturer's specifications for reloading and using the bullets.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper handling may lead to accidental discharge.
- Bullets can cause serious injury or death if misused.
- Exposure to lead may pose health risks.

• Avoiding Hazards:

- Always treat firearms and ammunition as if they are loaded.
- Do not point the firearm at anything you do not intend to shoot.
- Ensure the firearm is in good working condition and compatible with the ammunition.
- Follow all safety rules and guidelines provided by firearm manufacturers.

• AgeSpecific Warnings:

- This product is not intended for use by individuals under the legal age for purchasing or using ammunition in your jurisdiction.
- Ensure that minors are supervised by a responsible adult when handling or using firearms and ammunition.

Instructions for Installation and Usage

• Installation:

- Always refer to your firearm's manual for proper installation procedures.
- Ensure that the firearm is unloaded before installing the bullets.
- Load the bullets according to the manufacturer's instructions for your specific firearm model.

• Usage:

- Use these bullets only in firearms that are designed for 6.5MM caliber ammunition.
- Follow the recommended load data for the specific bullet type and weight.
- Always shoot in a safe and controlled environment, such as a designated shooting range.
- Maintain a safe distance from others while shooting.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash. Contact local waste management authorities for proper disposal methods.
- Ensure that any spent casings are collected and disposed of safely to prevent environmental contamination.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MATCHKING X 6.5MM CALIBER (.264") HOLLOW POINT BOAT TAIL RIFLE BULLETS, please refer to the manufacturer's contact information provided on the packaging or their official website.

Please remember that safety is paramount when handling and using ammunition. By following these guidelines, you can ensure a safe and enjoyable shooting experience.
