

MATCHKING X 30 CAL (.308") HOLLOW POINT BOAT TAIL RIFLE BULLETS - MATCHKING X 30 CALIBER (.308") 175GR HPBT 500/BOX

MATCHKING X 30 CALIBER (.308") HOLLOW POINT BOAT TAIL RIFLE BULLETS

Next Generation MatchKing - Meeting the needs of demanding shooters - Sierra's new MatchKing-X (MKX) line is the next evolution of Sierra's renowned MatchKing series, blending their legacy of unmatched precision with devastating performance on game. Designed with hunters in mind, the MKX delivers the same exceptional long-range accuracy and shot-to-shot consistency that Sierra is known for, while offering enhanced terminal performance for more effective and reliable results in the field. Whether you're targeting long-distance accuracy or ensuring optimal performance, the MKX is engineered to elevate your hunting experience to the next level. **FEATURES:** Same ogive as MatchKing counterparts: near identical BC and allows shooters to use the same seating depth. MKX bullets are held to the same accuracy standards as their MatchKing counterparts. New construction methods alter the jacket mouth and nose, enabling the jacket to expand rapidly. Softer lead core compared to a traditional MatchKing enhances expansion at lower velocities, ensuring long-range performance.

Attributes

Safety Instruction Guide for MATCHKING X 30 CAL (.308") HOLLOW POINT BOAT TAIL RIFLE BULLETS

Introduction

Thank you for choosing MATCHKING X 30 CAL (.308") HOLLOW POINT BOAT TAIL RIFLE BULLETS. This guide provides essential safety instructions to ensure the safe handling and use of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the bullets.

General Safety Guidelines

- Always treat every bullet as if it is loaded.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized persons.
- Use appropriate personal protective equipment (PPE) such as safety glasses and hearing protection when handling or shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding the purchase, possession, and use of ammunition.

Specific Safety Precautions for Use

- Ensure that your firearm is compatible with .308 caliber bullets before use.
- Use only in firearms that are designed for this caliber and type of bullet.
- Inspect bullets for any visible defects or damage before use. Do not use damaged bullets.
- Avoid using bullets that have been exposed to excessive heat, moisture, or contamination.
- Always follow the manufacturer's recommended load data for reloading.
- Never exceed the maximum load recommendations for your firearm.
- Do not use bullets for purposes other than their intended use, such as reloading or modification.

Instructions for Installation and Usage

• Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Open the bullet packaging carefully to avoid damaging the bullets.
- Follow the instructions for reloading if applicable, using the correct equipment and techniques.

• Usage:

- Load the bullet into the chamber of your firearm according to the manufacturer's instructions.
- Ensure the firearm is in a safe position before firing.
- Maintain a proper shooting stance and ensure the target area is clear.
- After firing, check the firearm for any malfunctions or obstructions before reloading.

Disposal Instructions

- Dispose of used bullets and packaging materials in accordance with local regulations.
- Do not dispose of bullets in regular household waste.
- Contact local waste management authorities for information on hazardous waste disposal if needed.

Contact Information for Further Support

For any safety inquiries or further assistance, please reach out to your local retailer or manufacturer's customer service. Always keep the product packaging for reference regarding the product specifications and safety information.

By following these safety instructions, you can ensure a safer experience when using MATCHKING X 30 CAL (.308") HOLLOW POINT BOAT TAIL RIFLE BULLETS. Thank you for your commitment to safety.
