MATCHKING X 30 CALIBER (.308") HOLLOW POINT BOAT TAIL RIFLE BULLETS
Next Generation MatchKing - Meeting the needs of demanding shooters -
Sierra's new MatchKing-X (MKX) line is the next evolution of Sierra's renowned MatchKing series, blending their legacy of unmatched precision with devastating performance on game. Designed with hunters in mind, the MKX delivers the same exceptional long-range accuracy and shot-to-shot consistency that Sierra is known for, while offering enhanced terminal performance for more effective and reliable results in the field. Whether you're targeting long-distance accuracy or ensuring optimal performance, the MKX is engineered to elevate your hunting experience to the next level. FEATURES: Same ogive as MatchKing counterparts: near identical BC and allows shooters to use the same seating depth. MKX bullets are held to the same accuracy standards as their MatchKing counterparts. New construction methods alter the jacket mouth and nose, enabling the jacket to expand rapidly. Softer lead core compared to a traditional MatchKing enhances expansion at lower velocities, ensuring long-range performance.

MATCHKING X 30 CAL (.308") HOLLOW POINT BOAT TAIL RIFLE BULLETS Safety Instruction Guide

Introduction

Thank you for choosing the MATCHKING X 30 CAL (.308") HOLLOW POINT BOAT TAIL RIFLE BULLETS by Sierra Bullets, Inc. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before using the bullets to understand the necessary precautions and procedures.

General Safety Guidelines

- Ensure that you are familiar with the laws and regulations regarding the use of ammunition in your region.
- Store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep bullets out of reach of children and vulnerable individuals to prevent accidental use.
- Always handle ammunition with care and respect, treating it as if it is loaded at all times.
- Use appropriate protective gear, such as safety glasses and hearing protection, when shooting.
- Regularly inspect your firearm and ammunition for any signs of damage or defects before use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

• Identification of Potential Hazards:

- Improper handling or storage of ammunition can lead to accidental discharge.
- Using the wrong caliber or type of bullet can cause firearm malfunction or damage.
- Exposure to lead and other materials may pose health risks.

• Clear Instructions for Avoiding Hazards:

- Always verify that your firearm is compatible with .308 caliber ammunition before use.
- Do not use damaged or corroded bullets.
- Follow all manufacturer instructions for your firearm and ammunition.
- Never point a firearm at anything you do not intend to shoot.

• Age or Audience Specific Warnings:

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Ensure that all users are trained and knowledgeable about firearm safety.

Instructions for Installation and Usage

• Installation:

- Ensure your firearm is unloaded before attempting to install or load ammunition.
- Open the action of your firearm and inspect the chamber to ensure it is clear.
- Carefully load the MATCHKING X 30 CAL bullets into the magazine or chamber, following the manufacturer's guidelines for your specific firearm.

• Usage:

- Always shoot in a safe environment, ensuring that the area is clear of people and obstacles.
- Maintain a firm grip on the firearm and aim in a safe direction.
- Follow the proper shooting stance and technique to ensure stability and control.
- After firing, ensure the firearm is cleared and stored safely.

Disposal Instructions

- Dispose of any unused or damaged bullets according to local regulations concerning hazardous waste.
- Do not dispose of bullets in regular trash or recycling bins.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries about safety or product information, please refer to the appropriate contact resources available in your region. Always ensure you are receiving information from official sources.

By following these safety instructions, you can ensure a safer experience when using the MATCHKING X 30 CAL (.308") HOLLOW POINT BOAT TAIL RIFLE BULLETS. Always prioritize safety in all aspects of handling and using ammunition. Thank you for your attention to these important guidelines.
