

DAKA RANGE BAGS - MAGPUL DAKA RANGE BAG 40L LARGE BLACK

[Shooting Accessories](#) > [Range Gear](#) > [Range Bags](#)

MAGPUL DAKA RANGE BAGS The new DAKA Range Bag line is designed and built to be the last range bag you'll ever need. Constructed from our proprietary DAKA Grit (600D TPU-coated nylon) and DAKA Dura (840D TPU-coated nylon) fabrics that include RF-welded seams and dual YKK Aquaguard® zippers, the DAKA Range Bag can handle the weather, dirt, and rough treatment of your next range trip. Their Large Range Bag has a volume of 40 liters, comprised of a main compartment to house most of your range gear, plus two side pockets sized to fit ear pro, ammo, eye pro, or other range necessities. On the bag's external wall under the main compartment lid, there's a zippered, mesh slip pocket as well as four (4) stretch woven pockets; two hold up to an AR-10 or a short-action AICS PMAG®, and two smaller pockets that can each store a GLOCK® PMAG or an AMAG®. On the backside of the magazine wall is a document pocket for any manuals, NFA paperwork, or targets. Within the main compartment of the bag are two sets of four elastic loops to hold up to eight (8) magazines, a stretch, mesh- gusseted pocket, and a loop-lined wall to attach accessories that use a hook-and-loop style of attachment. Their Small Range Bag has a volume of 20 liters, comprised of a main compartment to house most of your range gear, plus a side pocket sized to fit ear pro, eye pro, ammo or other range necessities. On the bag's external wall under the main compartment lid, there's a zippered, mesh slip pocket as well as four (4) stretch woven pockets; two hold up to an AR-10 or a short-action AICS PMAG®, and two smaller pockets that can each store a GLOCK® PMAG or an AMAG®. On the backside of the magazine wall is a document pocket for any manuals, NFA paperwork, or targets. Within the main compartment of the bag are two sets of four elastic loops to hold up to eight (8) magazines, a stretch, mesh- gusseted pocket, and a loop-lined wall to attach accessories that use a hook-and-loop style of attachment. To protect all your gear, the DAKA Range Bag is built upon a structured Hypalon® bottom that also includes a layer of compressed foam for extra durability and support. For easy carrying, there are stowable sling mounting plates on each side of the bag to attach a QD, Paraclip™, MASH Hook, or other similar connecting device to support carrying the bag with a sling over the shoulder when the Range Bag is loaded with gear. The Range Bag also includes a pair of handles attached with a die-cut DAKA patch for extra strength when the bag is full of equipment. There's also an exterior-mounted, RF-welded DAKA ID card slot and a dot matrix grid for keeping tabs on your Range Bag. **SPECIFICATIONS:** Collection: DAKA Range Bags DAKA Range Bag Large: Internal volume: 40 L Weight: 3.3 lbs. DAKA RANGE BAG SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the DAKA Range Bag. This bag is designed to provide a durable and functional solution for transporting your range gear. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure the bag is used only for its intended purpose, which is to carry shooting and range equipment.
- Regularly inspect the bag for any signs of wear or damage. If any issues are found, discontinue use and replace the bag.
- Keep the bag out of reach of children and pets to prevent accidents.
- Store the bag in a dry environment to prevent mold and deterioration of materials.
- Always secure and properly store any firearms and ammunition when using the bag.
- Be aware of your surroundings when using the bag in public or at shooting ranges to avoid accidents.

Specific Safety Precautions for Use

- Do not overload the bag beyond its specified weight capacity (40 liters for the Large Range Bag and 20 liters for the Small Range Bag).
- Use the bag's handles and sling mounting plates as designed; do not use them for purposes other than carrying the bag.
- Avoid exposing the bag to extreme temperatures or harsh chemicals, as these may compromise the materials.
- When transporting firearms, ensure they are unloaded and secured in accordance with local laws and regulations.
- Use caution when accessing the bag in crowded areas to avoid injury to yourself and others.

Instructions for Installation and Usage

1. Loading the Bag:

- Open the main compartment and place your range gear inside, ensuring that heavier items are at the bottom for stability.
- Utilize the side pockets for smaller items such as ear protection, eye protection, and ammunition.
- Use the elastic loops inside the main compartment to secure magazines, ensuring they are properly stored and easily accessible.

2. Carrying the Bag:

- Use the stowable sling mounting plates on either side of the bag to attach a sling for easy carrying over your shoulder.
- Alternatively, use the handles for a secure grip when lifting or transporting the bag.

3. Cleaning and Maintenance:

- Wipe the exterior of the bag with a damp cloth to remove dirt and debris.
- Allow the bag to air dry completely before storing it to prevent mold growth.
- Check zippers and seams regularly to ensure they are functioning correctly.

Disposal Instructions

- When the bag reaches the end of its life cycle, dispose of it in accordance with local regulations regarding textile and plastic waste.
- If the bag is damaged beyond repair, consider recycling materials where possible to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the DAKA Range Bag, please refer to the product documentation or contact your retailer for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your DAKA Range Bag. Thank you for your attention to these important guidelines.
