SIGHTLINES GEL EAR PAD ADAPTER PLATES W/ADHESIVE BACKING

Noisefighters® Sightlines Gel Ear Pads - with patented relief cut for glasses arms to slide through to prevent headaches and reduce noise Upgrade your headset experience with Noisefighters Sightlines gel ear pads. Made in the USA, these innovative replacement pads feature a patented relief cut feature that allows your glasses to pass through comfortably, eliminating the frustration of headset pressure on your frames. Crafted from premium silicone gel and polyurethane materials, they provide superior noise isolation and long-lasting cushioning for extended wear. Compatible with most popular headsets, these versatile ear pads offer a customized fit and enhanced comfort. Whether you are sport shooting, operating machinery, or enjoying your favorite tunes, Noisefighters Sightlines ensure an immersive audio experience without compromising your hearing or comfort. Upgrade your hearing protection today and experience the difference. Their design features a rim to slide under the clips on headsets like Howard Leight® Impact Sport plus a non-permanent, pressure-sensitive adhesive for a much more secure fit and peel + stick compatibility with their optional snap-in plastic adapter plates to fit headsets from dozens of manufacturers. This model is also compatible with any headset that utilizes oval pads that are 4" tall x 3" wide and allow users to peel off / remove their original pads and apply new adhesive-backed pads. Their gel ear pads are 0.625" thick. HERE ARE THE COMPATIBLE HEADSETS USING EITHER THE ADHESIVE BACKING OR THE INCLUDED ADAPTER PLATES: 3M™

WorkTunes™ Wireless / Bluetooth model (please additionally purchase their Peltor™ ComTac™ style cloned adapter plates if you own the old-style WorkTunes™ headset that only has an AM/FM radio) - 3M™ Peltor™ RangeGuard™ - 3M™ Peltor™ Sport Tactical 100 / 300 / 500 - Awesafe® GF01 - Axil® / Sportear® Trackr™ (Including BLU) - Caldwell® E-Max (standard and low-profile) - GLORYFIRE™ M8056T - Howard Leight® Impact® Sport (including Bolt® version) - Howard Leight® Impact® Pro - Howard Leight® Lightning® - Howard Leight® Sync® - Howard Leight® Verishield - Howard Leight® Viking® - ISOTunes LINK 1.0, LINK 2.0, LINK Aware, DEFY - Kask® SC1 / SC2 / SC3 - Mpow® Noise Reduction Safety Ear Muffs - NoiseBuster® PA4000, PA4100, and PA4200 - Ops-Core® AMP® (note: outer lip may overlap and can be removed with knife / scissors, but this is only an aesthetic issue) - Otto® NoiseBarrier® Range SA and TAC - Peltor™ RangeGuard™ and Peltor™ Sport Tactical™ 100 / 300 / 500 - Pro Ears® - multiple models compatible; customer must verify that their original pads can be peeled off and their oval 3 x 4" pads can be glued on - Radians® - multiple models compatible; customer must verify that their original pads can be peeled off and their oval 3 x 4" pads can be glued on - Savior Equipment® Apollo - (existing pads can be peeled off the existing plastic plate and residue cleaned up, and new pads can be applied, but we instead recommend additionally purchasing their AD108 Sightlines with Adapter Plates for Savior® Apollo and similar headsets due to the improvement in secure mounting) - TR Industrial® Forestry Safety Helmet and Hearing Protection System - Walker's Game Ear® FireMax® (requires cutting off original pads and reusing the factory-installed plastic plates) - Walker's Game Ear® Recon® (requires cutting off original pads and reusing the factory-installed plastic plates) - Winchester® Passive Folding

Earmuffs / Low Pro Passive Folding Earmuffs Noisefighters is in no way affiliated with 3M Peltor® (or any other headset manufacturer) and they have not been involved in the development, manufacturing, labeling, testing, or certification of any Noisefighters products. 3M Peltor has stated that modifying their headsets may negatively impact sound attenuation and it makes the 40 CF 211 Subpart B noise reduction rating inapplicable. FEATURES: Comfort for Glasses Wearers: A patented relief cut, these pads allow glasses to pass through comfortably Fully compatible with headsets from Howard Leight®, 3M Peltor®, Ops-Core®, Sordin®, Walker's Game Ear®, and other headsets by installing optional adapter plates; please see attached images for compatibility information The adhesive is non-permanent, and pads can be removed dozens of times, or even swapped between headsets, without degrading the bonding strength Designed, manufactured, and assembled in the USA and covered by a one-year unconditional warranty Noisefighters® is a combat veteran owned company

SIGHTLINES GEL EAR PAD ADAPTER PLATES USER MANUAL

Introduction

Thank you for choosing the SIGHTLINES Gel Ear Pad Adapter Plates by Noisefighters. These innovative ear pads are designed to enhance your comfort and audio experience while using headsets. This manual provides essential safety guidelines, installation instructions, and information for proper use and disposal of the product.

General Safety Guidelines

To ensure safe and effective use of the SIGHTLINES Gel Ear Pad Adapter Plates, please follow these guidelines:

- **Product Safety:** Ensure that the ear pads are used only with compatible headsets. Refer to the compatibility list provided in the product description.
- **Enhanced Recalls:** Stay informed about product recalls and safety notices. Visit the EU Safety Gate platform for updates.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements.
- **Special Consumer Focus:** These ear pads are designed with comfort in mind, particularly for users who wear glasses. Always check for proper fit.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by the retailer.
- **Rapid Alerts:** Monitor for any alerts regarding unsafe products through the Safety Gate system.

Specific Safety Precautions for Use

When using the SIGHTLINES Gel Ear Pad Adapter Plates, please observe the following precautions:

- **Compatibility Check:** Ensure that your headset is compatible with the SIGHTLINES Gel Ear Pad Adapter Plates.
- **Proper Installation:** Follow the installation instructions carefully to avoid any damage to your headset or the ear pads.
- **Regular Inspection:** Periodically check the ear pads and adhesive for wear and tear. Replace them if they show signs of damage.
- **Avoid Excessive Force:** Do not apply excessive force when attaching or removing the ear pads to prevent damage.
- **Use for Intended Purpose:** These ear pads are intended for use with headsets. Do not use them for any other purpose.

Instructions for Installation and Usage

Follow these steps for proper installation and use of the SIGHTLINES Gel Ear Pad Adapter Plates:

1. Prepare Your Headset:

- Remove any existing ear pads from your headset. Ensure that the surface is clean and free of residue.

2. Attach the Adapter Plates (if applicable):

- If using the optional adapter plates, align them with the headset clips and press firmly to secure them in place.

3. **Install the Gel Ear Pads:**

- Peel off the protective backing from the adhesive on the gel ear pads.
- Align the ear pads with the headset or adapter plates and press down firmly to ensure a secure fit.

4. **Check for Proper Fit:**

- Ensure that the ear pads sit comfortably against your ears without any gaps. Adjust if necessary.

5. **Usage:**

- Wear your headset as intended. The gel ear pads are designed to provide comfort and noise isolation.

Disposal Instructions

When disposing of the SIGHTLINES Gel Ear Pad Adapter Plates, please follow these guidelines:

- **Environmental Considerations:** Dispose of the product in accordance with local regulations regarding electronic waste and plastics.
- **Separate Waste:** If applicable, separate the ear pads from the adapter plates for proper recycling.
- **Follow Local Guidelines:** Check with local waste management authorities for specific disposal instructions.

Contact Information for Further Support

For any questions or concerns regarding the SIGHTLINES Gel Ear Pad Adapter Plates, please refer to the contact information provided by the retailer from whom you purchased the product.

Thank you for choosing Noisefighters. We hope you enjoy your enhanced audio experience with the SIGHTLINES Gel Ear Pad Adapter Plates!
