SWITCHBACK S BACKUP FLASHLIGHT RING FOR SUREFIRE EDC BLACK

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Flashlight Accessories](#)

SWITCHBACK S BACKUP FLASHLIGHT RING FOR SUREFIRE EDC The SwitchBack® S Backup Flashlight Ring turns your Surefire® compact flashlight into a flexible tactical tool. They have improved on their original design to fit the EDC models without a flared lanyard shroud, while remaining compatible with most Surefire E-Series legacy Backup flashlights. The SwitchBack S Backup Flashlight Ring enhances your compact flashlight, optimizing ergonomics for searching and shooting. FEATURES: Securely mounts between the tailcap and body of the flashlight. Rigid retention ring helps reliably deploy and index flashlight from both pockets and pouches. Shoot using a natural two-handed grip (the SwitchBack Technique). Employ all traditional low-light techniques such as Neck Index, Modified FBI, and Harries. Positively retain the light when drawing a firearm, reloading, and malfunction clearance. The SwitchBack S Backup comes with two O-rings. The SwitchBack S Backup is not compatible with lights larger than 0.830 inches (2.1082 cm) in diameter.

Safety Instruction Guide for the SWITCHBACK S BACKUP FLASHLIGHT RING

Introduction

Thank you for purchasing the SWITCHBACK S Backup Flashlight Ring for Surefire EDC. This product is designed to enhance your flashlight's functionality while ensuring safe use. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the product safely.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the product before use for any signs of damage or wear.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all instructions provided in this guide for safe operation.
- Report any unsafe product conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- **Use with Compatible Flashlights:** Only use the SWITCHBACK S Backup Flashlight Ring with Surefire EDC models and compatible Surefire ESeries legacy Backup flashlights.
- **Diameter Limit:** Ensure that the flashlight used does not exceed 0.830 inches (2.1082 cm) in diameter.
- **Secure Mounting:** Always ensure the flashlight ring is securely mounted between the tailcap and body of the flashlight before use.
- **Natural Grip:** Use the flashlight in a natural twohanded grip to maintain control and stability (the SwitchBack Technique).
- **LowLight Techniques:** Familiarize yourself with traditional lowlight techniques such as Neck Index, Modified FBI, and Harries to enhance safety during use.
- **Retention During Use:** Ensure that the flashlight is positively retained when drawing a firearm, reloading, or clearing malfunctions to prevent accidents.

Instructions for Installation and Usage

1. Installation:

- Remove the tailcap from your Surefire flashlight.
- Place the SWITCHBACK S Backup Flashlight Ring between the tailcap and the body of the flashlight.
- Reattach the tailcap securely, ensuring the ring is held firmly in place.

2. Usage:

- Hold the flashlight using the SwitchBack Technique for optimal control.
- Use the flashlight for its intended purposes, such as searching or tactical operations.
- Regularly check the retention of the flashlight ring during use to ensure it is secure.

3. Maintenance:

- Inspect the flashlight ring and flashlight for any damage or wear after each use.
- Clean the flashlight and ring with a soft, dry cloth to maintain optimal performance.

Disposal Instructions

- Dispose of the SWITCHBACK S Backup Flashlight Ring in accordance with local regulations.
- Do not dispose of the product in general household waste if it is damaged or no longer functional.
- Consider recycling options where available to minimize environmental impact.

Contact Information for Further Support

For any inquiries or concerns regarding the SWITCHBACK S Backup Flashlight Ring, please refer to the manufacturer's website or contact your local distributor for assistance.

Thank you for prioritizing safety and responsible use of the SWITCHBACK S Backup Flashlight Ring. Your adherence to these guidelines helps ensure a safe and effective experience.
