

SWITCHBACK 2.0 LARGE FLASHLIGHT RING WITH POCKET CLIP - SWITCHBACK 2.0 LARGE FLASHLIGHT RING W/POCKET CLIP BLACK

SWITCHBACK 2.0 LARGE FLASHLIGHT RING WITH POCKET CLIP The SwitchBack® 2.0 adds a multi-function finger ring and robust pocket clip to your tactical flashlight. It mounts securely between the light's tailcap and body, providing a repeatable grip index during deployment from pocket or pouch, and enhances ergonomics while shooting or searching. The SwitchBack® 2.0 is the next evolution in the innovative SwitchBack Flashlight Ring product line. It incorporates new features and refinements based on thousands of hours of use by our subject matter experts and customers. The SwitchBack mounts between the tailcap and body of your flashlight, making it secure regardless of impact, moisture, and heat/cold changes. **FEATURES:** SwitchBacks can be used with handguns or long guns. It allows the user to: Reliably deploy and index a flashlight from both pockets and pouches, using the SwitchBack's rigid, but releasable, retention ring. Shoot using a natural two-handed grip (the SwitchBack Technique). Employ all traditional low-light techniques such as Neck Index, Modified FBI, and Harries. Positively retain the light when drawing a firearm, reloading, and addressing a malfunction. The SwitchBack provides fast deployment and enhanced retention during many activities such as climbing, backpacking, car and home maintenance, and self-defense. New for SwitchBack 2.0: A finger ring that releases under heavy force/torque but can be reset. A stronger pocket clip that also works with MOLLE/PALS webbing. A pocket clip position that allows for slightly deeper carry than the SwitchBack® Large (original). A tubular portion that is cut lower to allow grip on both sides of the tail-cap during installation. A wider thumb rest with traction features. Small crush ribs on the SwitchBack 2.0's lip that create a custom fit across a broader range of lights. An aluminum spacer that expands compatibility to Streamlight HL and HL-X flashlights and other manufacturers with similar designs. **Installation** For installation, first try installing the SwitchBack on your light without use of the O-ring or aluminum washer. Simply unscrew the tailcap, add the SwitchBack, and rescrew the tailcap back on. If the light does not activate upon use of the tailcap switch with the SwitchBack installed, try installing the aluminum washer as shown in the diagram below. Streamlight models tend to require the aluminum washer, but may not, depending on the tailcap features of the light. Elzetta and Surefire models do not usually require the aluminum washer, but users may find that addition of the rubber O-ring will help to stabilize the position of the SwitchBack

Attributes

- Name: SWITCHBACK 2.0 LARGE FLASHLIGHT RING W/POCKET CLIP BLACK
- Manufacturer: THYRM LLC
- Product no.: 430113931
- Mfr. No.: SB007

Safety Instruction Guide for SWITCHBACK 2.0 LARGE FLASHLIGHT RING WITH POCKET CLIP

Introduction

Thank you for choosing the SWITCHBACK 2.0 LARGE FLASHLIGHT RING WITH POCKET CLIP. This product is designed to enhance the usability and safety of your tactical flashlight. It is important to understand the safety guidelines and usage instructions to ensure a safe and effective experience. This guide provides essential safety information and instructions in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Ensure safe use of the SWITCHBACK 2.0 and your flashlight. Follow all instructions carefully to avoid risks associated with improper use.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a recall notice, follow the instructions provided for a free remedy.
- **Online Shopping:** When purchasing online, ensure that the seller meets safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for children. Keep out of reach of children to prevent accidental use or injury.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- **Avoid Impact:** The SWITCHBACK 2.0 is designed to withstand impacts, but excessive force may damage the product or your flashlight.
- **Moisture and Heat:** Keep the product away from extreme moisture and heat to maintain its integrity and functionality.
- **Proper Grip:** Use the SwitchBack Technique for a natural twohanded grip when shooting or searching. This enhances safety and control.
- **Regular Checks:** Periodically check the pocket clip and finger ring for wear or damage. Replace if necessary to ensure continued safety.
- **Correct Installation:** Follow installation instructions carefully to avoid malfunctions that could lead to accidents.
- **Training:** Familiarize yourself with the product through practice and training, especially if using in tactical situations.

Instructions for Installation and Usage

1. Installation:

- Unscrew the tailcap of your flashlight.
- Place the SWITCHBACK 2.0 between the tailcap and the body of the flashlight.
- Rescrew the tailcap back onto the flashlight.
- If the flashlight does not activate, try using the aluminum washer as needed.
- Ensure the installation is secure before use.

2. Usage:

- Use the rigid retention ring to deploy the flashlight reliably from pockets or pouches.
- Employ lowlight shooting techniques such as Neck Index, Modified FBI, and Harries.

- Retain the flashlight securely while drawing a firearm, reloading, or addressing malfunctions.
- Practice using the SWITCHBACK 2.0 in various scenarios to become familiar with its operation.

Disposal Instructions

- **Environmental Considerations:** Dispose of the SWITCHBACK 2.0 in accordance with local regulations for electronic waste.
- **Recycling:** If possible, recycle the product to minimize environmental impact.
- **Hazardous Materials:** Ensure that any components, such as batteries or electronic parts, are disposed of safely and in accordance with local laws.

Contact Information for Further Support

For any inquiries regarding the SWITCHBACK 2.0, please refer to the contact information provided by your retailer or manufacturer. They can assist you with any questions or concerns regarding safety, usage, and installation.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your SWITCHBACK 2.0 LARGE FLASHLIGHT RING WITH POCKET CLIP. Thank you for your attention to safety and proper usage.
