

SWITCHBACK 2.0 LARGE FLASHLIGHT RING WITH POCKET CLIP - THYRM LLC SWITCHBACK 2.0 LARGE FLASHLIGHT RING W/POCKET CLIP TAN

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Flashlight Accessories](#)

SWITCHBACK 2.0 LARGE FLASHLIGHT RING WITH POCKET CLIP The SwitchBack® 2.0 adds a multi-function finger ring and robust pocket clip to your tactical flashlight. It mounts securely between the light's tailcap and body, providing a repeatable grip index during deployment from pocket or pouch, and enhances ergonomics while shooting or searching. The SwitchBack® 2.0 is the next evolution in the innovative SwitchBack Flashlight Ring product line. It incorporates new features and refinements based on thousands of hours of use by our subject matter experts and customers. The SwitchBack mounts between the tailcap and body of your flashlight, making it secure regardless of impact, moisture, and heat/cold changes. **FEATURES:** SwitchBacks can be used with handguns or long guns. It allows the user to: Reliably deploy and index a flashlight from both pockets and pouches, using the SwitchBack's rigid, but releasable, retention ring. Shoot using a natural two-handed grip (the SwitchBack Technique). Employ all traditional low-light techniques such as Neck Index, Modified FBI, and Harries. Positively retain the light when drawing a firearm, reloading, and addressing a malfunction. The SwitchBack provides fast deployment and enhanced retention during many activities such as climbing, backpacking, car and home maintenance, and self-defense. New for SwitchBack 2.0: A finger ring that releases under heavy force/torque but can be reset. A stronger pocket clip that also works with MOLLE/PALS webbing. A pocket clip position that allows for slightly deeper carry than the SwitchBack® Large (original). A tubular portion that is cut lower to allow grip on both sides of the tail-cap during installation. A wider thumb rest with traction features. Small crush ribs on the SwitchBack 2.0's lip that create a custom fit across a broader range of lights. An aluminum spacer that expands compatibility to Streamlight HL and HL-X flashlights and other manufacturers with similar designs. **Installation** For installation, first try installing the SwitchBack on your light without use of the O-ring or aluminum washer. Simply unscrew the tailcap, add the SwitchBack, and rescrew the tailcap back on. If the light does not activate upon use of the tailcap switch with the SwitchBack installed, try installing the aluminum washer as shown in the diagram below. Streamlight models tend to require the aluminum washer, but may not, depending on the tailcap features of the light. Elzetta and Surefire models do not usually require the aluminum washer, but users may find that addition of the rubber O-ring will help to stabilize the position of the SwitchBack

Attributes

- Name: [THYRM LLC SWITCHBACK 2.0 LARGE FLASHLIGHT RING W/POCKET CLIP TAN](#)
- Manufacturer: [THYRM LLC](#)

SWITCHBACK 2.0 LARGE FLASHLIGHT RING WITH POCKET CLIP SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the SwitchBack 2.0 Large Flashlight Ring with Pocket Clip by THYRM LLC. This product is designed to enhance the usability of your tactical flashlight while ensuring safety during its operation. Please read this safety instruction guide carefully to ensure safe and effective use.

General Safety Guidelines

- Ensure that the SwitchBack 2.0 is compatible with your flashlight model before installation.
- Always inspect the SwitchBack 2.0 for any visible damage before use. Do not use if damaged.
- Use the product only as intended. Misuse can lead to accidents or injuries.
- Keep out of reach of children and vulnerable individuals to prevent accidental use or injury.
- If you experience any issues with the product, discontinue use and seek assistance.

Specific Safety Precautions for Use

- **Deployment Safety:** Always ensure a firm grip on your flashlight while deploying it from your pocket or pouch to prevent drops.
- **Grip Retention:** When using the flashlight, be aware that the retention ring is designed to release under heavy force. Make sure you are prepared for this when using the flashlight in highstress situations.
- **Shooting Safety:** When employing the SwitchBack Technique, ensure that your grip is secure and that you are following all firearm safety protocols.
- **Environmental Considerations:** Be cautious of environmental factors such as moisture, heat, or cold that may affect the performance of the SwitchBack 2.0 and your flashlight.
- **Compatibility Check:** Ensure that the SwitchBack 2.0 is installed correctly. Refer to the installation instructions if you encounter issues.

Instructions for Installation and Usage

Installation

1. Initial Setup:

- Begin by unscrewing the tailcap of your flashlight.
- Place the SwitchBack 2.0 between the tailcap and the body of the flashlight.
- Rescrew the tailcap back onto the flashlight.

2. Using the Oring or Aluminum Washer:

- If the flashlight does not activate with the SwitchBack installed, consider using the aluminum washer.
- Streamlight models may require the aluminum washer for proper functionality.
- Elzetta and Surefire models typically do not require the washer but may benefit from the rubber Oring for stability.

3. Testing:

- Once installed, test the flashlight to ensure it activates properly.

Usage

- **Deploying the Flashlight:**
 - Use the rigid retention ring to reliably deploy the flashlight from pockets or pouches.
 - Maintain a natural twohanded grip for stability.
- **Shooting Techniques:**
 - Utilize lowlight shooting techniques such as Neck Index, Modified FBI, and Harries with the SwitchBack 2.0.

Disposal Instructions

- Dispose of the SwitchBack 2.0 in accordance with local regulations for electronic waste and plastic materials.
- Do not dispose of the product in regular household waste. Check for local recycling programs that accept electronic accessories.

Contact Information for Further Support

For any inquiries or further assistance regarding the SwitchBack 2.0, please refer to the product packaging or visit the official THYRM LLC website for customer support resources.

Thank you for ensuring your safety and the effective use of your SwitchBack 2.0 Large Flashlight Ring with Pocket Clip.
