

SWITCHBACK 2.0 LARGE FLASHLIGHT RING WITH POCKET CLIP - THYRM LLC SWITCHBACK2.0 LARGE FLASHLIGHT RING W/POCKET CLIP SAGE GREEN

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Flashlight Accessories](#)

SWITCHBACK 2.0 LARGE FLASHLIGHT RING WITH POCKET CLIP The SwitchBack® 2.0 adds a multi-function finger ring and robust pocket clip to your tactical flashlight. It mounts securely between the light's tailcap and body, providing a repeatable grip index during deployment from pocket or pouch, and enhances ergonomics while shooting or searching. The SwitchBack® 2.0 is the next evolution in the innovative SwitchBack Flashlight Ring product line. It incorporates new features and refinements based on thousands of hours of use by our subject matter experts and customers. The SwitchBack mounts between the tailcap and body of your flashlight, making it secure regardless of impact, moisture, and heat/cold changes. **FEATURES:** SwitchBacks can be used with handguns or long guns. It allows the user to: Reliably deploy and index a flashlight from both pockets and pouches, using the SwitchBack's rigid, but releasable, retention ring. Shoot using a natural two-handed grip (the SwitchBack Technique). Employ all traditional low-light techniques such as Neck Index, Modified FBI, and Harries. Positively retain the light when drawing a firearm, reloading, and addressing a malfunction. The SwitchBack provides fast deployment and enhanced retention during many activities such as climbing, backpacking, car and home maintenance, and self-defense. New for SwitchBack 2.0: A finger ring that releases under heavy force/torque but can be reset. A stronger pocket clip that also works with MOLLE/PALS webbing. A pocket clip position that allows for slightly deeper carry than the SwitchBack® Large (original). A tubular portion that is cut lower to allow grip on both sides of the tail-cap during installation. A wider thumb rest with traction features. Small crush ribs on the SwitchBack 2.0's lip that create a custom fit across a broader range of lights. An aluminum spacer that expands compatibility to Streamlight HL and HL-X flashlights and other manufacturers with similar designs. **Installation** For installation, first try installing the SwitchBack on your light without use of the O-ring or aluminum washer. Simply unscrew the tailcap, add the SwitchBack, and rescrew the tailcap back on. If the light does not activate upon use of the tailcap switch with the SwitchBack installed, try installing the aluminum washer as shown in the diagram below. Streamlight models tend to require the aluminum washer, but may not, depending on the tailcap features of the light. Elzetta and Surefire models do not usually require the aluminum washer, but users may find that addition of the rubber O-ring will help to stabilize the position of the SwitchBack

Attributes

Safety Instruction Guide for SWITCHBACK 2.0

Large Flashlight Ring with Pocket Clip

Introduction

Thank you for choosing the SWITCHBACK 2.0 Large Flashlight Ring with Pocket Clip by THYRM LLC. This product is designed to enhance your tactical flashlight experience by providing a multifunction finger ring and a robust pocket clip. Please read this safety instruction guide carefully to ensure safe usage and installation of your flashlight ring.

General Safety Guidelines

- **Product Safety:** Ensure the safe use of the SWITCHBACK 2.0 by following all instructions provided in this guide. This product is designed for nonfood use and adheres to EU safety regulations.
- **Enhanced Recalls:** Stay informed about potential recalls. If you receive any recall notices, please follow the instructions provided for safe product return or remedy.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements similar to those in physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the contact details provided by the retailer or manufacturer.
- **Rapid Alerts:** Check for updates on unsafe products via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper installation may lead to flashlight malfunction.
 - The finger ring may release under heavy force; ensure it is correctly secured during use.
 - Retain proper grip when using the flashlight to avoid accidental drops.
- **Avoiding Hazards:**
 - Always check that the SwitchBack is securely attached before use.
 - Do not use the flashlight in extreme heat or cold conditions that exceed the manufacturer's specifications.
 - Ensure the pocket clip is properly fastened to prevent loss during activities.
- **AgeSpecific Warnings:**
 - This product is not suitable for children. Adult supervision is recommended if used in proximity to minors.

Instructions for Installation and Usage

- **Installation Steps:**
 1. Unscrew the tailcap of your flashlight.
 2. Position the SwitchBack between the tailcap and the body of the flashlight.
 3. Rescrew the tailcap back onto the flashlight.
 4. If the flashlight does not activate, install the aluminum washer as needed.

5. For Streamlight models, the aluminum washer may be required; for Elzetta and Surefire models, it may not be necessary.

- **Usage Instructions:**

- Use the SwitchBack to reliably deploy your flashlight from pockets and pouches.
- Employ the SwitchBack Technique for a natural twohanded grip while shooting.
- Practice traditional lowlight techniques such as Neck Index, Modified FBI, and Harries.
- Ensure positive retention of the flashlight when drawing a firearm or addressing a malfunction.
- Utilize the flashlight for various activities, including climbing, backpacking, car maintenance, and selfdefense.

Disposal Instructions

- Dispose of the SWITCHBACK 2.0 according to local regulations for electronic waste.
- Do not dispose of the product in regular household waste.
- Check with your local recycling center for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the SWITCHBACK 2.0, please refer to the contact details provided by your retailer or manufacturer.

Thank you for your attention to these safety guidelines. Enjoy your SWITCHBACK 2.0 Large Flashlight Ring with Pocket Clip responsibly and safely!
