

SWITCHBACK DF FLASHLIGHT RING WITH POCKET CLIP - THYRM LLC SWITCHBACK DF FLASHLIGHT RING W/POCKET CLIP BLACK

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Flashlight Accessories](#)

SWITCHBACK DF FLASHLIGHT RING WITH POCKET CLIP The SwitchBack® DF adds a multi-function finger ring and robust pocket clip to SureFire's Dual Fuel Series Flashlights. It mounts securely on the light's tailcap, providing a repeatable grip index during deployment from pocket or pouch, and enhances ergonomics while shooting or searching. Featuring the same enhanced features as the SwitchBack® 2.0, the SwitchBack DF Flashlight Ring is the ergonomic upgrade your SureFire Dual Fuel tactical flashlight deserves! It features a larger opening to accept the Dual Fuel's tailcap and includes an additional lock to ensure it stays in place during hard use. **FEATURES:** Like all our SwitchBacks, it can be used with handguns or long guns, allowing the user to: Reliably deploy and index a flashlight from both pockets and pouches, using the SwitchBack's rigid, but releasable, retention ring. Shoot using a natural two-handed grip (the SwitchBack Technique). Employ all traditional low-light techniques such as Neck Index, Modified FBI, and Harries. Positively retain the light when drawing a firearm, reloading, and addressing a malfunction. The SwitchBack DF Flashlight Ring also provides fast deployment and enhanced retention during many activities such as climbing, backpacking, car and home maintenance, and self-defense. A finger ring that releases under heavy force/torque, but can be reset. A strong pocket clip that also works with MOLLE/PALS webbing. A pocket clip position that allows for slightly deeper carry than the SwitchBack® Large (original). A tubular portion that is cut lower to allow grip on both sides of the tail-cap during installation. A wide thumb rest with traction features. Small crush ribs on the SwitchBack DF's lip create a custom fit. Designed and manufactured in the USA. **Installation** For installation: Unlock the release ring and hold it below the latch on the tube of the SwitchBack; this will deflect the upper locking finger of the tube's channel. Insert the tailcap until it's seated at the bottom of the SwitchBack DF's tube. Reattach the ring to the latch on the tube: This will capture the tailcap within the SwitchBack DF; you can press the top end of it against the tailcap to help seat it. No additional washers or O-rings are needed for installation, but the SureFire O-ring should stay on the light. **Note:** You do not need to remove the tailcap from the SwitchBack during battery changes. **Caution:** When changing batteries, be sure to carefully align the tailcap and body of the flashlight and screw down the tailcap without dislodging the sealing O-ring on the body of the flashlight.

Attributes

- Name: [THYRM LLC SWITCHBACK DF FLASHLIGHT RING W/POCKET CLIP BLACK](#)
- Manufacturer: [THYRM LLC](#)

Consumer Safety Instruction Guide for SWITCHBACK DF FLASHLIGHT RING WITH POCKET CLIP

Introduction

Thank you for choosing the SwitchBack® DF Flashlight Ring with Pocket Clip by THYRM LLC. This product is designed to enhance the usability and ergonomics of your SureFire Dual Fuel tactical flashlight. To ensure your safety and the proper use of this product, please read this guide carefully.

General Safety Guidelines

- Ensure that the flashlight and SwitchBack DF are used according to the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals to prevent misuse.
- Regularly inspect the flashlight and SwitchBack DF for any signs of damage or wear.
- If you notice any defects or issues, discontinue use immediately and contact the manufacturer for support.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always use the SwitchBack DF Flashlight Ring with compatible SureFire Dual Fuel flashlights.
- Ensure that the ring is securely attached to the flashlight's tailcap before use.
- Avoid using excessive force when installing or removing the tailcap to prevent damage.
- Do not attempt to modify or alter the SwitchBack DF Flashlight Ring.
- When using the flashlight in lowlight conditions, be aware of your surroundings to avoid accidents.
- If using the flashlight for selfdefense, ensure you are trained in its proper use.

Instructions for Installation and Usage

Installation

1. Unlock the release ring and hold it below the latch on the tube of the SwitchBack DF. This will deflect the upper locking finger of the tube's channel.
2. Insert the tailcap until it is seated at the bottom of the SwitchBack DF's tube.
3. Reattach the ring to the latch on the tube. This will capture the tailcap within the SwitchBack DF. You can press the top end of it against the tailcap to help seat it.
4. No additional washers or Orings are needed for installation, but ensure the SureFire Oring remains on the light.
5. Note: You do not need to remove the tailcap from the SwitchBack during battery changes.

Usage

- To deploy the flashlight, use the rigid retention ring to index the flashlight from your pocket or pouch.
- Use a natural twohanded grip (the SwitchBack Technique) for improved control.
- Employ traditional lowlight techniques such as Neck Index, Modified FBI, and Harries when using the flashlight.
- Ensure positive retention of the light when drawing a firearm, reloading, or addressing a malfunction.
- The SwitchBack DF Flashlight Ring allows for fast deployment and enhanced retention during activities such as climbing, backpacking, and maintenance.

Disposal Instructions

- Dispose of the SwitchBack DF Flashlight Ring in accordance with local regulations for electronic waste.
- Do not dispose of the product in regular household waste.
- Remove any batteries before disposal and recycle them according to local guidelines.

Contact Information for Further Support

For further support, please consult the manufacturer's website or customer service resources. Ensure you have the product details ready for any inquiries.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your SwitchBack DF Flashlight Ring with Pocket Clip!
