

SWITCHBACK HOG FLASHLIGHT RING FOR MODLITE HOG FLASHLIGHT BK

SWITCHBACK HOG FLASHLIGHT RING FOR MODLITE HOG FLASHLIGHTS The SwitchBack® HOG adds a multi-function finger ring and robust pocket clip to Modlite's HOG Flashlight. It mounts securely on the light's tailcap, providing a repeatable grip index during deployment from pocket or pouch, and enhances ergonomics while shooting or searching. Featuring the same enhanced features as the SwitchBack® 2.0, the SwitchBack HOG Flashlight Ring is the ergonomic upgrade your Modlite HOG tactical flashlight deserves! FEATURES: Like all our SwitchBacks, it can be used with handguns or long guns, allowing the user to: Reliably deploy and index a flashlight from both pockets and pouches, using the SwitchBack's rigid, but releasable, retention ring. Employ all traditional low-light techniques such as Neck Index, Modified FBI, and Harries. Positively retain the light when drawing a firearm, reloading, and addressing a malfunction. The SwitchBack HOG Flashlight Ring also provides fast deployment and enhanced retention during many activities such as climbing, backpacking, car and home maintenance, and self-defense. If you're using the Modlite HOG as a patrol light, improve your access and mounting ability with a SwitchBack HOG! A finger ring that releases under heavy force/torque but can be reset. A strong pocket clip that also works with MOLLE/PALS webbing. A wide thumb rest with traction features. Small crush ribs on the SwitchBack HOG's lip create a custom fit. Designed and manufactured in the USA. INSTALLATION Installation is simple: Remove the tailcap of the Modlite HOG, place the SwitchBack HOG, then re-screw on the tailcap. If you would like a tighter fit, an O-ring comes with the SwitchBack HOG and can be placed on the last step past the threads, as shown to the right; it is a #018 Buna-N O-ring (1/16" thick, 7/8" OD, 3/4" ID).

SWITCHBACK HOG FLASHLIGHT RING SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the SwitchBack HOG Flashlight Ring for your Modlite HOG Flashlight. This product is designed to enhance the functionality and ergonomics of your flashlight. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure the SwitchBack HOG Flashlight Ring is compatible with your Modlite HOG Flashlight before use.
- Always inspect the product for any damage or wear before installation and use.
- Keep this product out of reach of children and vulnerable individuals to prevent accidental injury.
- Use the flashlight and ring as intended; misuse can lead to accidents or injuries.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- The finger ring is designed to release under heavy force or torque; ensure it is securely attached before use.
- When using the flashlight with firearms, always follow standard firearm safety practices.
- Do not attempt to modify or alter the SwitchBack HOG Flashlight Ring.
- Ensure that the pocket clip is securely attached to avoid loss during use.
- Avoid using the flashlight in extreme temperatures or environments that may compromise its integrity.

Instructions for Installation and Usage

1. Installation:

- Remove the tailcap of the Modlite HOG Flashlight.
- Place the SwitchBack HOG Flashlight Ring onto the tailcap.
- Rescrew the tailcap onto the flashlight to secure the ring.
- If a tighter fit is desired, use the included #018 BunaN O-ring (1/16" thick, 7/8" OD, 3/4" ID) by placing it on the last step past the threads.

2. Usage:

- To deploy the flashlight, grip the SwitchBack HOG securely and pull it from your pocket or pouch.
- Utilize traditional lowlight techniques such as Neck Index, Modified FBI, and Harries for effective use.
- Ensure positive retention of the flashlight when drawing a firearm, reloading, or addressing a malfunction.
- For activities such as climbing or self-defense, ensure the pocket clip is secure and the finger ring is functional.

Disposal Instructions

- Dispose of the SwitchBack HOG Flashlight Ring in accordance with local regulations for electronic waste.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any safety inquiries or product support, please refer to the manufacturer's contact information included in the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Enjoy the enhanced experience with your Modlite HOG Flashlight!
