CELLVAULT-21 BATTERY STORAGE FOR 21700 AND STREAMLIGHT SL-B50

Protect your spare 21700 battery while keeping it immediately accessible with the CellVault-21 Rechargeable Battery Storage. Premium batteries require protection from physical and environmental damage but need to remain accessible to keep advanced tactical lights running at full power. The CellVault-21 Rechargeable Battery Storage provides the same feature set as our popular CellVault-18 including dual-wall construction & side viewing windows but adds a larger capacity and an upgraded latch that allows for easy installation, especially on tight MOLLE/PALS webbing. **FEATURES:** Holds one 21700 Rechargeable Battery Holds one Streamlight SL-B50 Battery (with foam removed) Waterproof O-ring seal rated to IPX7 at 2 meters for 30+ minutes Secure metal latch seals and attaches the CellVault-21 to gear Silicone foam shock absorber/noise silencer Clear side windows allow for gear status checks Slim profile: less than 1 MOLLE/PALS column wide for easy integration into existing gear configurations Detachable latch installs easily on all MOLLE and can be backed up with the included security pin Designed and manufactured in the USA **INSTALLATION:** Unlock the bottom latch and open the CellVault-21. Press the release tab with a screwdriver or similar tool to release the latch from the back strap. Insert the back strap through the MOLLE/PALS webbing. Align the side tabs and snap the latch back into the back strap. Install additional security pin through both the latch and back strap if necessary. Verify foam shock absorber is at the bottom of the CellVault-21 tube. Insert battery with the positive (+) terminal towards the foam at the bottom. Close the latch, making sure no material is caught in the tube/cap interface.

CELLVAULT 21 Battery Storage Safety Instructions

Introduction

Thank you for choosing the CELLVAULT 21 Battery Storage by THYRM LLC. This product is designed to protect and store your 21700 rechargeable batteries and Streamlight SLB50 batteries safely. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe use of the CELLVAULT 21 by adhering to the following guidelines:
 - Always use the product as intended for battery storage.
 - Keep the product out of reach of children and vulnerable individuals.
 - Regularly inspect the product for signs of damage or wear.
 - Do not use the product if it is damaged or malfunctioning.
 - Follow all local regulations regarding battery storage and disposal.

Specific Safety Precautions for Use

- When using the CELLVAULT 21, adhere to these specific safety precautions:
 - Always ensure that the batteries are correctly inserted, with the positive (+) terminal facing the foam at the bottom of the storage tube.
 - Avoid exposing the product to extreme temperatures, moisture, or direct sunlight.
 - Do not attempt to disassemble or modify the product.
 - Ensure that the latch is securely closed before transporting or storing the product.
 - If the product shows any signs of leakage or damage, discontinue use immediately and dispose of it properly.

Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the CELLVAULT 21:
 1. Unlock the bottom latch and open the CELLVAULT 21.
 2. Press the release tab with a screwdriver or similar tool to release the latch from the back strap.
 3. Insert the back strap through the MOLLE/PALS webbing.
 4. Align the side tabs and snap the latch back into the back strap.
 5. Install the additional security pin through both the latch and back strap if necessary.
 6. Verify that the foam shock absorber is at the bottom of the CELLVAULT 21 tube.
 7. Insert the battery with the positive (+) terminal towards the foam at the bottom.
 8. Close the latch, ensuring no material is caught in the tube/cap interface.

Disposal Instructions

- Proper disposal of the CELLVAULT 21 and batteries is crucial for environmental safety:
 - Do not dispose of batteries in household waste. Follow local regulations for battery disposal.
 - Dispose of the CELLVAULT 21 in accordance with local waste management guidelines.
 - If the product is damaged, contact local waste authorities for proper disposal instructions.

Contact Information for Further Support

- For any safety inquiries, product support, or to report unsafe products, please reach out to your local consumer safety authorities or visit the EU's Safety Gate platform for updates on safety recalls and alerts.

Thank you for your attention to these safety instructions. Your safety is our priority.
