CELLVAULT-21 BATTERY STORAGE FOR 21700 AND STREAMLIGHT SL-B50

Protect your spare 21700 battery while keeping it immediately accessible with the CellVault-21 Rechargeable Battery Storage. Premium batteries require protection from physical and environmental damage but need to remain accessible to keep advanced tactical lights running at full power. The CellVault-21 Rechargeable Battery Storage provides the same feature set as our popular CellVault-18 including dual-wall construction & side viewing windows but adds a larger capacity and an upgraded latch that allows for easy installation, especially on tight MOLLE/PALS webbing. **FEATURES:** Holds one 21700 Rechargeable Battery Holds one Streamlight SL-B50 Battery (with foam removed) Waterproof O-ring seal rated to IPX7 at 2 meters for 30+ minutes Secure metal latch seals and attaches the CellVault-21 to gear Silicone foam shock absorber/noise silencer Clear side windows allow for gear status checks Slim profile: less than 1 MOLLE/PALS column wide for easy integration into existing gear configurations Detachable latch installs easily on all MOLLE and can be backed up with the included security pin Designed and manufactured in the USA **INSTALLATION:** Unlock the bottom latch and open the CellVault-21. Press the release tab with a screwdriver or similar tool to release the latch from the back strap. Insert the back strap through the MOLLE/PALS webbing. Align the side tabs and snap the latch back into the back strap. Install additional security pin through both the latch and back strap if necessary. Verify foam shock absorber is at the bottom of the CellVault-21 tube. Insert battery with the positive (+) terminal towards the foam at the bottom. Close the latch, making sure no material is caught in the tube/cap interface.

CELLVAULT 21 Battery Storage Safety Instructions

Introduction

Thank you for choosing the CELLVAULT 21 Battery Storage by THYRM LLC. This product is designed to safely store and protect your 21700 rechargeable batteries and Streamlight SLB50 batteries. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

1. Product Safety:

- Ensure that the CELLVAULT 21 is used according to the instructions provided.
- Regularly inspect the product for any signs of damage or wear.

2. Enhanced Recalls:

- Stay informed about any product recalls through the EU Safety Gate platform.

3. Online Shopping:

- When purchasing online, ensure the seller complies with safety requirements.

4. Special Consumer Focus:

- Keep the product out of reach of children to prevent accidental ingestion or misuse.

5. EU Contact Point:

- For safety inquiries, please refer to the manufacturer's contact details provided with the product.

6. Rapid Alerts:

- Monitor updates regarding unsafe products through the Safety Gate system.

Specific Safety Precautions for Use

- Always use only compatible batteries (21700 rechargeable batteries and Streamlight SLB50 batteries).
- Do not expose the CELLVAULT 21 to extreme temperatures, humidity, or direct sunlight.
- Ensure that the latch is securely closed to prevent accidental opening.
- Do not attempt to modify or disassemble the CELLVAULT 21.
- If the product is damaged, do not use it and contact the manufacturer for guidance.

Instructions for Installation and Usage

1. Unlock and Open:

- Unlock the bottom latch and open the CELLVAULT 21.

2. Release the Latch:

- Press the release tab with a screwdriver or similar tool to detach the latch from the back strap.

3. Install on MOLLE/PALS Webbing:

- Insert the back strap through the MOLLE/PALS webbing.
- Align the side tabs and snap the latch back into the back strap.

4. Secure with Security Pin:

- If necessary, install the additional security pin through both the latch and back strap for added security.

5. Insert Battery:

- Verify that the foam shock absorber is at the bottom of the CELLVAULT 21 tube.
- Insert the battery with the positive (+) terminal facing the foam at the bottom.

6. Close the Latch:

- Close the latch, ensuring that no material is caught in the tube/cap interface.

Disposal Instructions

- Dispose of the CELLVAULT 21 and any batteries according to local regulations.
- Do not dispose of batteries in regular household waste. Follow your local guidelines for battery disposal.

Contact Information for Further Support

For any questions or concerns regarding the CELLVAULT 21 Battery Storage, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for your attention to these safety instructions. Your safety is our priority.
