MILITARY STYLE JERRY FUEL CAN SAFETY INSTRUCTIONS

Introduction

Thank you for purchasing the Military Style Jerry Fuel Can. This product is designed for safe and efficient storage and pouring of fuel. Please read this safety instruction guide carefully to ensure proper use and maintenance, in compliance with EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the product is used only for its intended purpose, which is to store and pour fuel.
- Keep the Jerry Fuel Can out of reach of children and vulnerable individuals.
- Always check for leaks or damages before use. Do not use if damaged.
- Store the Jerry Can in a cool, dry place away from direct sunlight and heat sources.
- Avoid inhaling fumes from the fuel or the can.
- Do not overfill the can; leave space for fuel expansion.
- Use only the recommended fuel types as specified by the manufacturer.
- Regularly inspect the spout and lid for proper sealing and functioning.

Specific Safety Precautions for Use

- Use the Jerry Fuel Can in wellventilated areas to avoid the accumulation of harmful fumes.
- When pouring fuel, ensure the can is stable and held securely.
- Avoid using the can near open flames, sparks, or any ignition sources.
- Wear gloves and protective eyewear when handling fuel to minimize skin and eye contact.
- If fuel spills occur, clean them immediately and dispose of the waste properly.
- Do not attempt to modify or repair the Jerry Fuel Can or its components.

Instructions for Installation and Usage

1. Preparation

- Ensure the Jerry Fuel Can is clean and dry before use.
- Inspect the spout and lid for any signs of wear or damage.

2. Filling the Can

- Place the can on a flat, stable surface.
- Open the lid and remove the spout cover.
- Fill the can with fuel, taking care not to exceed the maximum fill line.
- Replace the lid securely after filling.

3. Pouring Fuel

- Position the Jerry Fuel Can above the receiving container.
- Remove the spout cover and tilt the can to pour.
- Control the flow by adjusting the angle of the can.
- After pouring, replace the spout cover immediately to prevent spills.

4. Storage

- Store the Jerry Fuel Can upright in a designated fuel storage area.

- Ensure the area is wellventilated and away from heat sources.

Disposal Instructions

- Dispose of the Jerry Fuel Can in accordance with local regulations regarding hazardous waste.
- If the can is damaged and cannot be used, contact your local waste management authority for proper disposal methods.
- Never dispose of fuel or fuel containers in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns, please consult your local authorities or safety organizations. Always ensure you are following the latest safety guidelines and regulations.

By adhering to these safety instructions, you can ensure the safe and effective use of your Military Style Jerry Fuel Can. Thank you for your attention to safety and compliance.
