Safety Instruction Guide for Military Style Jerry Fuel Can

Introduction

Thank you for choosing the Military Style Jerry Fuel Can. This guide provides essential safety instructions to ensure the safe use and handling of your fuel can. Please read this manual carefully before using the product.

General Safety Guidelines

- Ensure that you understand and follow all safety instructions provided in this guide.
- Always store fuel cans in a cool, dry place away from direct sunlight and heat sources.
- Keep the fuel can out of reach of children and pets.
- Do not use the fuel can for any purpose other than storing fuel.
- Regularly inspect the fuel can for any signs of damage or wear. If damaged, discontinue use immediately.
- In the event of a fuel spill, clean it up immediately to prevent fire hazards and environmental damage.
- Report any unsafe conditions, accidents, or injuries to the appropriate authorities.

Specific Safety Precautions for Use

- Always use the fuel can in wellventilated areas to avoid inhaling fumes.
- Do not smoke or use open flames near the fuel can.
- Ensure the lid is securely closed when not in use to prevent spills and evaporation.
- Use the included inner nozzle for pouring fuel to minimize spills and splashes.
- Avoid overfilling the fuel can; leave space for expansion.
- If fuel is spilled, clean it immediately and dispose of any contaminated materials safely.
- Wear protective gloves and eyewear when handling fuel.

Instructions for Installation and Usage

1. Initial Setup:

- Remove the fuel can from its packaging.
- Inspect the can for any visible damage or defects.
- Ensure that the leverlock spillproof lid is functioning correctly.

2. Filling the Fuel Can:

- Place the fuel can on a stable, flat surface.
- Use the inner nozzle to fill the can with fuel, ensuring that you do not exceed its capacity.
- Securely close the lid after filling to prevent leakage.

3. Pouring Fuel:

- When ready to pour, ensure the area is wellventilated and free from ignition sources.
- Remove the screw thread cover from the inner nozzle.
- Tilt the can gently to pour the fuel into your desired container.
- After pouring, replace the screw thread cover securely.

4. Storage:

- Store the fuel can upright in a designated storage area away from heat sources and direct sunlight.
- Ensure that the lid is tightly closed when the can is not in use.

Disposal Instructions

- Dispose of the fuel can in accordance with local regulations regarding hazardous materials.
- If the can is empty, ensure it is completely free of fuel residue before disposal.
- Do not incinerate or puncture the fuel can.
- Recycle the can if possible, following local recycling guidelines.

Contact Information for Further Support
