Safety Instruction Guide for US Made Two Strap Nylon Cordura Duffle Bag

Introduction

Thank you for choosing the US Made Two Strap Nylon Cordura Duffle Bag by Schreck Wholesale Inc. This guide provides essential safety instructions and guidelines to ensure the safe use of your duffle bag. Please read this document carefully to understand how to use, maintain, and dispose of your bag safely.

General Safety Guidelines

- Always inspect the bag for any signs of damage before use. Do not use if damaged.
- Keep the bag away from sharp objects to prevent tears or punctures.
- Avoid exposing the bag to extreme temperatures or direct sunlight for prolonged periods.
- Ensure that the bag is not overloaded to maintain its structural integrity and functionality.
- Store the bag in a dry place to prevent mold or mildew growth.
- If the bag becomes wet, dry it thoroughly before storing it to maintain its waterrepellent properties.
- Keep the bag out of reach of children when not in use to prevent accidents.

Specific Safety Precautions for Use

- Use the padded shoulder straps to carry the bag for maximum comfort and to prevent strain.
- When lifting the bag, bend your knees and keep your back straight to avoid injury.
- Ensure that all zippers and pockets are securely closed before transporting the bag to prevent items from falling out.
- Be cautious when placing the bag on uneven surfaces to prevent it from tipping over.
- Avoid using the bag for carrying hazardous materials or substances.

Instructions for Installation and Usage

1. Packing the Bag:

- Open the main compartment by unzipping the zipper fully.
- Organize your items neatly inside the bag, using the external pocket for quickaccess essentials.
- Ensure that heavier items are at the bottom for better weight distribution.

2. Carrying the Bag:

- Adjust the padded shoulder straps to your preferred length for comfort.
- Use both shoulder straps to distribute weight evenly across your shoulders.
- For short distances, you may use the sturdy carrying handle for easier transport.

3. Cleaning the Bag:

- Wipe the bag with a damp cloth to remove dirt and stains.
- For deeper cleaning, hand wash with mild soap and water, then air dry completely.
- Do not machine wash or tumble dry the bag as this may damage the material.

Disposal Instructions

- When the bag reaches the end of its life, dispose of it responsibly.
- If possible, recycle the bag according to local recycling guidelines.
- If recycling is not an option, dispose of the bag in the general waste bin.

Contact Information for Further Support
