Safety Instruction Guide for the PATHFINDER SLING WITH QUICK DETACH MOUNT

Introduction

Thank you for choosing the PATHFINDER SLING WITH QUICK DETACH MOUNT. This safety instruction guide aims to provide you with essential information regarding the safe use, installation, and maintenance of your sling. Please read this guide carefully to ensure safe operation and enjoy your product to the fullest.

General Safety Guidelines

- Always inspect the sling before each use for any signs of wear or damage.
- Ensure that the sling is securely attached to your firearm before use.
- Do not use the sling for any purpose other than its intended use.
- Keep the sling out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Avoid using the sling in extreme weather conditions, such as heavy rain or snow, which may affect its performance.
- Do not overload the sling beyond its intended capacity, as this may lead to failure.
- Be cautious when using the sling in rough terrain to prevent accidents.
- Do not modify the sling in any way, as this may compromise its safety and effectiveness.
- Always store the sling in a dry and secure location when not in use.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded before attaching the sling.
- Locate the integrated QD mount on your sling.
- Align the QD mount with the attachment point on your firearm.
- Push the mount into the attachment point until you hear a click, indicating it is securely attached.
- Check the attachment by gently pulling on the sling to ensure it is secure.

2. Usage:

- Adjust the length of the sling by sliding the strap through the adjustment mechanism to achieve a comfortable fit.
- Place the sling over your shoulder, ensuring the nonslip underside is positioned against your clothing for stability.
- Use the Antislip Gripper to keep the sling in place when moving through rough terrain.
- When ready to detach, press the release button on the QD mount and gently pull the sling away from the firearm.

Disposal Instructions

- Dispose of the sling responsibly in accordance with local regulations.
- Do not dispose of the sling in regular household waste if it is damaged or worn out.
- Consider recycling options where available to minimize environmental impact.
