

PATHFINDER SLING WITH QUICK DETACH MOUNT - MUDDY BLINDS

PATHFINDER SLING W/QD MOUNT MOSSY OAK BOTTOMLAND

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

MUDDY PATHFINDER SLING WITH QUICK DETACH MOUNT This sling is constructed from soft, flexible closed-cell neoprene with Flex Stretch backing, offering comfort and durability. It reduces the felt weight on the shoulder, enhancing comfort during long treks. Equipped with an Anti-slip Gripper, it stays secure over rough terrain, ensuring reliable support. The sling also includes strong metal quick-detach swivels for added durability and convenience. **FEATURES:** Dimensions: 16.1in L x 3in W x 2in H Flexible neoprene construction for maximum comfort Non-slip underside keeps the sling stable on the shoulder Reinforced zones made of molded rubber for added durability Integrated QD mount for quick and secure attachment to the firearm Quality black stitching and elastic edging Adjustable length, 3.2 cm wide strap

Safety Instruction Guide for the PATHFINDER SLING WITH QUICK DETACH MOUNT

Introduction

Thank you for choosing the Muddy Pathfinder Sling with Quick Detach Mount. This safety instruction guide is designed to ensure the safe use of the sling while providing you with essential information regarding its features, installation, and maintenance. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the sling is used only for its intended purpose, which is to support firearms during transport.
- Always inspect the sling for any damage before each use. Do not use if any parts are worn or compromised.
- Keep the sling out of reach of children and vulnerable individuals to prevent accidents.
- Be aware of your surroundings when using the sling, especially in crowded or outdoor environments.
- Follow all local laws and regulations regarding firearm transportation and handling.

Specific Safety Precautions for Use

- **Weight Distribution:** Ensure that the weight of the firearm is evenly distributed across the sling to maintain balance and prevent slipping.
- **Secure Attachment:** Always ensure that the sling is securely attached to the firearm before use. Check the quickdetach swivels for proper locking.
- **Antislip Gripper:** Make sure the antislip gripper is positioned correctly on your shoulder to avoid slippage during movement.
- **Avoid Overloading:** Do not exceed the recommended weight limit of the sling. This may compromise its integrity and your safety.
- **Environmental Considerations:** Be cautious when using the sling in wet or slippery conditions. Ensure that the sling remains stable on your shoulder.

Instructions for Installation and Usage

1. Installation:

- Identify the QD mount points on your firearm.
- Attach the quickdetach swivels of the sling to the QD mount points, ensuring they click into place securely.
- Adjust the length of the sling to your preference using the adjustable strap.

2. Usage:

- Place the sling over your shoulder, ensuring that the antislip gripper is positioned against your clothing.
- Adjust the sling to a comfortable position that allows for easy access to your firearm.
- When not in use, detach the sling from the firearm to prevent accidental discharge.

Disposal Instructions

- Dispose of the sling in accordance with local regulations.
- Do not incinerate the sling, as it may release harmful substances.
- If the sling is damaged beyond repair, consider recycling the materials where possible, especially the neoprene and metal components.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe conditions, please refer to the contact information provided by the manufacturer or the retailer from whom you purchased the sling.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your Muddy Pathfinder Sling. Always prioritize safety and compliance with local regulations when using and handling firearms. Thank you for your attention to these important guidelines.
