Safety Instruction Guide for the Pathfinder Sling with Quick Detach Mount

Introduction

Thank you for choosing the Pathfinder Sling with Quick Detach Mount. This product is designed to enhance your shooting experience while ensuring safety and comfort. Please read this safety instruction guide carefully to understand how to use the sling safely and effectively.

General Safety Guidelines

- Ensure that you are familiar with the operation and handling of your firearm before using this sling.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep the sling away from children and unauthorized users.
- Regularly inspect the sling for any signs of wear or damage before each use.
- Do not use the sling if it is damaged or not functioning properly.
- Follow all local laws and regulations regarding firearm use and accessories.

Specific Safety Precautions for Use

- Ensure the sling is securely attached to your firearm before use.
- Avoid using the sling in wet or slippery conditions unless it is specifically designed for such environments.
- Be aware of your surroundings and ensure that the area is clear of obstacles when using the sling.
- Do not overload the sling with excessive weight beyond its design specifications.
- If using the sling in a tactical or hunting situation, ensure you have a clear plan for movement and engagement.

Instructions for Installation and Usage

Installation

1. **Identify the Attachment Points:** Locate the QD mount on your firearm and the corresponding attachment point on the sling.
2. **Attach the Sling:**
 - Align the QD swivel on the sling with the QD mount on the firearm.
 - Push the swivel into the mount until you hear a click, indicating it is securely locked in place.
3. **Adjust the Length:**
 - To adjust the length of the sling, locate the adjustment buckle.
 - Slide the buckle to increase or decrease the length to your desired fit.
4. **Check Stability:** Ensure that the sling is securely attached and stable before proceeding.

Usage

- When using the sling, place it over your shoulder to distribute the weight evenly.
- The nonslip underside of the sling will help keep it stable during movement.
- Adjust the sling as necessary during use to maintain comfort and support.
- When transitioning between different shooting positions, ensure that the sling does not obstruct your movement or visibility.

Disposal Instructions

- Dispose of the sling in accordance with local regulations for textile and plastic waste.
- If the sling is damaged beyond repair, consider recycling components where possible to minimize

environmental impact.

- Do not burn the sling, as it may release harmful substances.
