Pathfinder Sling with Quick Detach Mount Safety Instructions

Introduction

Thank you for choosing the Muddy Pathfinder Sling with Quick Detach Mount. This product is designed to provide comfort and reliability during your outdoor activities. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the sling is used only for its intended purpose.
- Regularly inspect the sling for any signs of wear or damage before each use.
- Keep the sling out of reach of children to prevent accidental injury.
- Do not exceed the weight limit specified by the manufacturer.
- Use the sling only with compatible firearms.
- Avoid using the sling in extreme weather conditions that may affect its performance.

Specific Safety Precautions for Use

- Always check that the quickdetach mount is securely fastened before use.
- Avoid placing the sling in direct contact with sharp or abrasive surfaces.
- Be cautious when adjusting the length of the sling to prevent pinching or injury.
- Use the antislip gripper feature to ensure stability when carrying your firearm.
- Do not attempt to modify or repair the sling on your own. Seek professional assistance if needed.

Instructions for Installation and Usage

1. Installation

- Identify the firearm's attachment points for the sling.
- Align the quickdetach mount with the attachment points.
- Securely fasten the mount, ensuring it is locked in place.

2. Usage

- Adjust the sling to your preferred length using the adjustable strap.
- Place the sling over your shoulder, ensuring the nonslip underside is in contact with your clothing.
- Check the stability of the sling before carrying your firearm.
- When not in use, detach the sling from the firearm and store it in a safe location.

Disposal Instructions

- Dispose of the sling in accordance with local regulations.
- Do not incinerate the sling, as it may release harmful substances.
- If the sling is damaged beyond use, consider recycling materials where possible.
