

AFTERBURNER + RAMJET FOR GLOCK 19 GEN 5/19X/45® - RADIAN WEAPONS RAMJET BBL W/AFTERBURNR COMP FOR GLOCK 19 G5/19X/45 BLK/GRAY

RADIAN WEAPONS AFTERBURNER + RAMJET FOR GLOCK 19 GEN 5/19X/45®
The Radian® AFTERBURNER™ + RAMJET™ combo provide unprecedented recoil reduction and match grade accuracy in a concealed carry package. The threadless barrel design allows for effortless install/removal for cleaning, while LEGAL FOR SALE IN ALL 50 STATES*. The AFTERBURNER™ compensator is machined from stainless steel and the RAMJET™ barrel from hardened 416R SS; both are enhanced with a Radianite™ coating. This combination achieves low friction, high hardness, and high corrosion resistance, making overall durability and erosion from muzzle blast a non-issue. Angled front faces on the AFTERBURNER aid in holstering. The INTRA-LOK® mounting system uses the taper lock principle; a tapered locking screw interfaces with an angled V-groove on the underside of the barrel. This perfectly times the compensator as it locks down onto the upper barrel profile on the muzzle end of the barrel. INTRA-LOK® allows the user to simply slide the compensator over the barrel, insert and tighten the locking screw, making for a simple and repeatable installation process. This system allows the user to easily remove the barrel from the slide for cleaning. Installed onto a Glock™ G19™, the AFTERBURNER™ + RAMJET™ combo increases the overall length of the slide to a G17® allowing compatibility with all G17® holsters. This combination kit is for: GLOCK™ G19 GEN5 / G19X™ / G45™ (or compatible) WHAT'S INCLUDED 1 - RAMJET™ Ported Pistol Barrel 1 - AFTERBURNER™ Micro-Compensator 1 - INTRA-LOK® Tapered Screw 1 - TORX Bit DISCLAIMER: "GLOCK" is a federally registered trademark of GLOCK, Inc. and is one of many trademarks owned by GLOCK, Inc. or GLOCK Ges.m.b.H. Safety Instruction Guide for AFTERBURNER + RAMJET for GLOCK 19 GEN 5/19X/45

Introduction

Thank you for choosing the Radian Weapons AFTERBURNER + RAMJET for your GLOCK 19 GEN 5/19X/45. This product is designed to enhance your shooting experience while ensuring safety and performance. Please read this safety instruction guide carefully to understand how to use and maintain your product safely.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store firearms and ammunition separately and securely.
- Ensure that you are familiar with local laws and regulations regarding firearms.
- Inspect the product before each use for any signs of wear or damage.
- Use only compatible ammunition as specified by the manufacturer.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the AFTERBURNER + RAMJET with GLOCK 19 GEN 5/19X/45 models.
- Ensure that the compensator is securely attached before use.
- Do not modify or alter the product in any way.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure that the shooting area is clear of people and obstacles.
- Keep fingers off the trigger until ready to shoot.
- Do not use the product if you are under the influence of drugs or alcohol.

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all components: RAMJET Ported Pistol Barrel, AFTERBURNER MicroCompensator, INTRALOK Tapered Screw, and TORX Bit.

2. Removing the Slide:

- Follow the manufacturer's instructions for safely removing the slide from the GLOCK.

3. Installing the RAMJET Barrel:

- Insert the RAMJET barrel into the slide.
- Ensure it fits snugly and is properly aligned.

4. Attaching the AFTERBURNER Compensator:

- Slide the AFTERBURNER compensator over the barrel.
- Insert the INTRALOK tapered screw into the compensator.
- Use the TORX Bit to tighten the screw until secure.

5. Final Checks:

- Ensure that all components are securely installed.
- Reattach the slide to the GLOCK following the manufacturer's guidelines.

Usage

- Always ensure the firearm is in a safe condition before shooting.
- Follow standard firearm safety protocols during use.
- Regularly check the compensator and barrel for any signs of wear or loosening.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.
