

ADAC-15 MODEL-1 COMPLETE RIFLE LOWER RECIEVER FOR AR-15 - RADIAN WEAPONS ADAC-15 MODEL-1 COMPLETE RIFLE LOWER RECEIVER FOR AR-15

RADIAN WEAPONS ADAC-15 MODEL-1 COMPLETE RIFLE LOWER RECIEVER FOR AR-15 The design philosophy behind the Radian Model 1 is simple: use the highest quality raw materials, the most precise CNC machining equipment, and the best components available to create a weapon that seamlessly blends form and function. Beyond quality and aesthetics, the Model 1 features fully ambidextrous controls, adding much-needed utility for both left- and right-handed shooters. Every Model 1 is assembled by hand, one at a time, by a trained gunsmith who inspects, test fires, and cleans the weapon to personally guarantee it meets the most rigid quality standards. No detail has gone overlooked, which is why the Model 1—like every Radian product—is guaranteed for life. Machined from billet 7075-T6 aluminum, the A-DAC 15 is a fully ambidextrous lower receiver for AR-15-style firearms. In addition to the Talon Ambidextrous Safety Selector, left-side magazine release, and right-side bolt release, the A-DAC 15 features the patented A-DAC (Ambidextrous Dual Action Catch), which allows right-handed shooters to easily lock the bolt to the rear without taking their hand off fire control. To hold the bolt back using the A-DAC, simply pull the charging handle to the rear, depress the right-side magazine release button, then release the charging handle. FEATURES Billet machined 7075-T6 lower receiver with integral trigger guard and flared magazine well A-DAC™ Ambidextrous Dual-Action Control right-side bolt hold-open feature Ambidextrous right & left side magazine and bolt release buttons Radian Talon™ Ambidextrous 45°/90° safety selector Radian Vertex-FB™ trigger 6-position buffer tube with castle nut and QD end plate H2 carbine buffer and polished buffer spring Magpul K2 pistol grip and collapsible stock (SBA3 brace or SL buttstock)

ADAC15 Model1 Complete Rifle Lower Receiver Safety Instructions

Introduction

Thank you for choosing the ADAC15 Model1 Complete Rifle Lower Receiver for AR15 by Radian Weapons. This product is designed for reliable performance and safety. It is essential to follow the safety guidelines and instructions outlined in this document to ensure safe usage and compliance with EU regulations.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep firearms pointed in a safe direction at all times.
- Store firearms securely and out of reach of children.
- Use appropriate eye and ear protection when handling firearms.
- Familiarize yourself with the local laws and regulations regarding firearm ownership and usage.
- Do not use the firearm under the influence of drugs or alcohol.
- Regularly inspect your firearm for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before performing any maintenance or modifications.
- Only use ammunition specified for the AR15 platform.
- Be aware of your surroundings and ensure the area is clear before discharging the firearm.
- Use the ADAC (Ambidextrous Dual Action Catch) feature correctly to avoid accidental discharge.
- Do not attempt to modify or alter the lower receiver in any way that could compromise safety.
- Ensure that all components are properly installed and secured before use.

Instructions for Installation and Usage

Installation Instructions

1. Preparation:

- Ensure the firearm is unloaded and the workspace is clean.
- Gather necessary tools: screwdrivers, wrenches, and any other required tools for assembly.

2. Attach the Lower Receiver:

- Align the lower receiver with the upper receiver.
- Secure the two components using the provided pins and screws according to the manufacturer's specifications.

3. Install the Buffer Tube:

- Attach the buffer tube to the lower receiver.
- Ensure that it is tightened securely.

4. Install the Stock or Brace:

- Attach the Magpul K2 pistol grip or the chosen stock (SBA3 brace or SL buttstock) to the lower receiver.
- Follow the specific instructions provided with the stock or brace for proper installation.

5. Final Inspection:

- Check all connections and ensure that there are no loose components.
- Perform a function check to ensure that the firearm operates correctly.

Usage Instructions

- When ready to fire, load the firearm with the appropriate ammunition.
- Use the Radian Talon Ambidextrous Safety Selector to engage the safety before loading.
- To fire, disengage the safety and aim carefully.
- Use the rightside bolt release and magazine release buttons as needed.
- After use, ensure the firearm is cleaned and maintained according to manufacturer guidelines.

Disposal Instructions

- Dispose of the lower receiver and any associated components in accordance with local regulations.
- Do not dispose of firearms or firearm components in regular household waste.
- Contact local authorities or waste management facilities for proper disposal methods.

Contact Information for Further Support
