CARBIDE FACTORY CRIMP MICROMETER SEATER ADAPTERS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the LEE PRECISION CARBIDE FACTORY CRIMP MICROMETER SEATER ADAPTER. This guide provides essential safety instructions to ensure the safe use of this product. Please read this document carefully before use to familiarize yourself with the safety guidelines and operational procedures.

General Safety Guidelines

- Ensure safe use of the product by following all instructions provided in this manual.
- Be aware of potential hazards associated with the product, including but not limited to sharp edges and the risk of injury during installation and use.
- Always use the product in accordance with the intended purpose as described in the product specifications.
- Keep the product out of reach of children and vulnerable individuals to prevent misuse and accidents.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling or using the adapter.
- Ensure that the work area is clean and free of clutter to prevent accidents during installation and use.
- Do not modify the adapter or use it in a manner not specified by the manufacturer.
- Inspect the adapter for any signs of damage before each use. Do not use if damaged.
- Keep hands and fingers clear of moving parts during operation to avoid injury.
- Follow all instructions for crimping and seating to prevent misfires or other malfunctions.

Instructions for Installation and Usage

1. Preparation:

- Read all instructions thoroughly before beginning the installation process.
- Gather all necessary tools and materials.

2. Installation:

- Remove the stock adjusting screw from your Lee Carbide Factory Crimp die.
- Select the cartridge-specific adapter that corresponds to your ammunition.
- Carefully install the adapter in place of the stock adjusting screw, ensuring a secure fit.

3. Usage:

- Set up your reloading press according to the manufacturer's instructions.
- Adjust the crimping and seating depth using the micrometer feature for precise measurements.
- Perform crimping, seating, and postsizing in one step as designed.
- Regularly check and maintain the adapter for optimal performance.

4. PostUsage:

- After use, clean the adapter and store it in a safe, dry place.
- Regularly inspect the adapter for wear and tear and replace it as necessary.

Disposal Instructions

- Dispose of the product and any packaging materials in accordance with local regulations.
- Do not dispose of in household waste. Check for recycling options in your area.

Contact Information for Further Support
