

U-RAC XL SUPPRESSOR SHIELD - MODTAC U-RAC XL SUPPRESSOR SHIELD SIZE 6.5" RAIL TYPE AR-15

Picatinny Rail mounted / QD Suppressor Shield for suppressors up to 1.900" (48 mm) U-RAC XL Suppressor Shield is designed to be compatible with the widest variety of US-made Gas guns. Suppressor Shield - Advanced Suppressor Cover. Prevent Burns. Eliminate Mirage. Mitigate Risk. U-RAC XL Suppressor Shield - Lightweight, Free-Floating, and Built for Performance. The U-RAC XL Suppressor Shield delivers superior suppressor protection while maintaining minimal weight. Designed for compatibility, it integrates with standard AR-15 and AR-10 rails using a Picatinny rail grabber that also supports the Unity Tactical FUSION™ Backup Iron Sight. The U-RAC's free-floating, air-gapped design protects the user and enables the mission without increasing peak suppressor temperatures or inhibiting suppressor cool down. The quick-disconnect ensures a secure fit, even under full-auto fire. Crafted with a lightweight aluminum coupler and high-temp carbon fiber, the U-RAC XL is a precision tool built for peak performance in any environment. Key Features Protect Users - An average of 60% or greater heat reduction and advanced composite construction prevents burns and protects equipment. Built for Larger Suppressors - Maintains all the benefits of the U-RAC while accommodating larger diameter suppressors. Picatinny Rail Compatibility - Works with AR-15 and AR-10 platforms.

URAC XL Suppressor Shield Safety Instructions

Introduction

Thank you for choosing the URAC XL Suppressor Shield. This product is designed to enhance your shooting experience by providing superior suppressor protection while ensuring user safety. Please read this safety instruction guide carefully to understand how to use the product effectively and safely.

General Safety Guidelines

- Always ensure that the URAC XL Suppressor Shield is installed correctly before use.
- Regularly inspect the suppressor shield for any signs of damage or wear.
- Use the suppressor shield only with compatible suppressors and firearms.
- Keep the suppressor shield away from children and vulnerable individuals.
- Report any unsafe conditions or incidents immediately to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Heat Protection:** The URAC XL Suppressor Shield is designed to reduce heat transfer. However, always handle the suppressor and shield with care as they can become hot during use.
- **Compatibility:** Ensure that the suppressor shield is compatible with your specific suppressor and firearm model (AR15 or AR10).
- **FullAuto Fire:** When using the suppressor shield during fullauto fire, ensure that it is securely attached to prevent detachment.
- **Mirage Elimination:** While the suppressor shield helps mitigate mirage, it is important to maintain proper shooting posture and technique for optimal accuracy.
- **Inspection:** Before each use, inspect the shield for cracks, loose fittings, or any other damage that may compromise safety.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Attach the URAC XL Suppressor Shield to the Picatinny rail of your firearm using the provided quickdisconnect mechanism.
- Confirm that the suppressor shield is securely fastened and does not move or wobble.

2. Usage:

- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- After installation, ensure that the suppressor is properly mounted and that the shield covers the suppressor adequately.
- During use, monitor the temperature of the suppressor and shield. If you notice excessive heat, allow the suppressor to cool before handling.
- After use, detach the suppressor shield and inspect it for any signs of damage or excessive wear.

Disposal Instructions

- Dispose of the URAC XL Suppressor Shield in accordance with local regulations regarding electronic and composite materials.
- Do not dispose of the suppressor shield in regular household waste.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the URAC XL Suppressor Shield, please reach out to the manufacturer or your retail point of purchase for assistance. Always ensure that you have the product information ready for a more efficient response.

Thank you for prioritizing safety while enjoying your shooting experience with the URAC XL Suppressor Shield.
