# Safety Instruction Guide for GBRS Group IFAS Individual First Aid System Pouches

## Introduction

Thank you for choosing the GBRS Group IFAS Individual First Aid System Pouch. This pouch is designed to provide you with essential medical supplies in emergency situations. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- **Product Safety:** This pouch is designed for safe use in nonfood applications. Ensure that you follow all instructions for maximum safety.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. If a recall is issued, follow the provided instructions for returning or exchanging the product.
- **Online Shopping Protections:** If purchased online, ensure that the retailer complies with safety requirements applicable to physical stores.
- **Special Consumer Focus:** This product is not intended for use by children without adult supervision. Keep out of reach of children.
- **EU Contact Point:** For safety inquiries, please reach out to the designated EU contact point provided by the retailer.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on unsafe products and recalls.

## Specific Safety Precautions for Use

- **Check for Damage:** Before use, inspect the pouch for any signs of damage or wear. Do not use if damaged.
- **Proper Storage:** Store the pouch in a cool, dry place away from direct sunlight to maintain the integrity of the materials.
- **Avoid Extreme Conditions:** Do not expose the pouch to extreme temperatures or moisture, as this may compromise its functionality.
- **Use as Intended:** This pouch is designed for carrying medical supplies. Do not use it for other purposes.
- **Keep Away from Fire:** Do not place the pouch near open flames or high heat sources.

## Instructions for Installation and Usage

### 1. Attachment to Gear:

- Use the MOLLE compatibility to securely attach the pouch to your gear or belt.
- Ensure that the attachment is firm and that the pouch does not shift during movement.

### 2. Loading the Pouch:

- Open the pouch using the adjustable side release buckle.
- Place your medical supplies inside the tweave stretch pocket and main body, ensuring they are organized and accessible.

### 3. Using the Integrated Tourniquet Sleeve:

- Insert the tourniquet into the designated sleeve made of heavy poly woven elastic.
- Ensure that the tourniquet is easily accessible in case of an emergency.

### 4. Carrying the Pouch:

- Once loaded, secure the pouch and ensure that it is properly attached to your gear.
- Carry the pouch in a manner that allows for quick access in emergencies.

#### **5. Maintenance:**

- Regularly check the pouch for wear and tear.
- Clean the pouch using a damp cloth and mild soap if necessary. Allow it to air dry completely before storing.

## **Disposal Instructions**

- Dispose of the pouch in accordance with local regulations regarding textile waste.
- If the pouch is damaged beyond repair, ensure that it is disposed of in a way that prevents accidental use.

## **Contact Information for Further Support**

For additional support, refer to the retailer from whom you purchased the GBRS Group IFAS Individual First Aid System Pouch for specific contact details.

Thank you for your attention to these safety instructions. Your safety and the effective use of this product are our top priorities.
