

ASSAULTER BELT SYSTEM V3 - GBRS GROUP ASSAULTER BELT SYSTEM V3 X-LARGE MULTICAM

GBRS GROUP ASSAULTER BELT SYSTEM V3 The GBRS Group Assaulter Belt utilizes a 2-belt system to create a lightweight, flexible yet rigid and stable platform to attach equipment, holsters, and accessories. This is done by using Type 13, 1-23/32" belt webbing (7000 lbs tensile strength) as the base, with a field of PALS webbing, laser cut from a semi-rigid woven thermo-polymer (patent pending). This ensures that your equipment is always secured to something rigid while allowing the belt to remain lightweight and comfortable. To round it off, we double "W" stitch the webbing to a load-rated, 1.75" AustriAlpin Cobra buckle with a D-ring for attaching helo lanyards and other equipment. The outer belt has an inner facing of "loop" style Velcro, to attach to a low profile "hook" inner belt. We did this because hooks should never be worn towards the body, especially in such a high-wear area (belt line). The inner belt system consists of a low profile "hook" inner belt with a single layer of 1.5" scuba webbing. This results in a system that doubles as a non-metallic EDC belt and is a comfortable and convenient way to cover the abrasive hook portion of the inner belt when flipped inside out. The single layer of scuba webbing allows for a rigid surface for IWB holsters to secure firmly. SPECS Outer Belt ONE-WRAP® ¾" Loop 1" & 1.5" Binding ¾" Tegriss 12 Layer AustriAlpin D-Ring COBRA® ProStyle Buckle 1.75" 18kN* Webbing Type 13, 1-23/32" Inner Belt 3610 Low Profile Loop 1.5" HTH Extruded Hook 841 1.5" Scuba Webbing 1.5" Weight: Inner and Outer Belt Total Small: 12.9 oz. Safety Instruction Guide for ASSAULTER BELT SYSTEM V3

Introduction

Thank you for choosing the ASSAULTER BELT SYSTEM V3 by GBRS Group. This guide provides important safety instructions and usage information to ensure your safety and satisfaction while using this product. Please read this guide carefully before use.

General Safety Guidelines

- Always inspect the belt for any signs of damage or wear before each use.
- Ensure that all components, such as buckles and webbing, are securely fastened.
- Do not exceed the weight limit specified for the belt.
- Keep the belt away from sharp objects and extreme heat sources to prevent damage.
- Store the belt in a cool, dry place when not in use.
- Follow all local laws and regulations regarding the use of tactical gear.

Specific Safety Precautions for Use

- The belt is designed for adult use only. Keep out of reach of children.
- Do not use the belt for any purpose other than its intended use.
- Ensure that the inner hook portion of the belt is not worn against the body to avoid injury.
- Always wear the belt in accordance with the sizing guidelines provided.
- If you experience any discomfort while wearing the belt, remove it immediately and consult a professional.

Instructions for Installation and Usage

1. Sizing Your Belt

- Measure your waistline circumference to determine the correct size. Do not use pants size for this measurement.
- Refer to the sizing chart below:
 - Size S: Fits waist sizes 27"32" (Ideal fit 27"31")
 - Size M: Fits waist sizes 31"36" (Ideal fit 31"34")
 - Size L: Fits waist sizes 35"41" (Ideal fit 35"39")
 - Size XL: Fits waist sizes 40"50" (Ideal fit 40"46")

2. Wearing the Belt

- Place the inner belt around your waist and secure it using the hookandloop fastener.
- Ensure the inner belt is positioned properly to avoid discomfort.
- Attach the outer belt over the inner belt, ensuring that the loop side of the outer belt aligns with the hook side of the inner belt.
- Adjust the outer belt to your desired tightness and secure it using the AustriAlpin Cobra buckle.

3. Attaching Accessories

- Use the PALS webbing on the outer belt to attach any compatible pouches or accessories securely.
- Ensure that all attachments are firmly secured before use.

4. Removing the Belt

- To remove the belt, unfasten the Cobra buckle and separate the outer belt from the inner belt.
- Store the belt properly to maintain its condition.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not incinerate the belt as it may release harmful substances.
- Consider recycling components where possible.

Contact Information for Further Support

For safety inquiries or support, please refer to the manufacturer's website or customer service contact information provided with your purchase.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your ASSAULTER BELT SYSTEM V3. Always prioritize safety and adhere to the guidelines provided. Thank you for your attention and for choosing GBRS Group products.
