

# ASSAULTER BELT SYSTEM V3 - GBRS GROUP ASSAULTER BELT SYSTEM V3 X-LARGE COYOTE BROWN

GBRS GROUP ASSAULTER BELT SYSTEM V3 The GBRS Group Assaulter Belt utilizes a 2-belt system to create a lightweight, flexible yet rigid and stable platform to attach equipment, holsters, and accessories. This is done by using Type 13, 1-23/32" belt webbing (7000 lbs tensile strength) as the base, with a field of PALS webbing, laser cut from a semi-rigid woven thermo-polymer (patent pending). This ensures that your equipment is always secured to something rigid while allowing the belt to remain lightweight and comfortable. To round it off, we double "W" stitch the webbing to a load-rated, 1.75" AustriAlpin Cobra buckle with a D-ring for attaching helo lanyards and other equipment. The outer belt has an inner facing of "loop" style Velcro, to attach to a low profile "hook" inner belt. We did this because hooks should never be worn towards the body, especially in such a high-wear area (belt line). The inner belt system consists of a low profile "hook" inner belt with a single layer of 1.5" scuba webbing. This results in a system that doubles as a non-metallic EDC belt and is a comfortable and convenient way to cover the abrasive hook portion of the inner belt when flipped inside out. The single layer of scuba webbing allows for a rigid surface for IWB holsters to secure firmly. SPECS Outer Belt ONE-WRAP® ¾" Loop 1" & 1.5" Binding ¾" Tegriss 12 Layer AustriAlpin D-Ring COBRA® ProStyle Buckle 1.75" 18kN\* Webbing Type 13, 1-23/32" Inner Belt 3610 Low Profile Loop 1.5" HTH Extruded Hook 841 1.5" Scuba Webbing 1.5" Weight: Inner and Outer Belt Total Small: 12.9 oz. # Safety Instruction Guide for ASSAULTER BELT SYSTEM V3

## Introduction

Thank you for choosing the ASSAULTER BELT SYSTEM V3 by GBRS Group. This product is designed to provide a lightweight, flexible, and stable platform for attaching equipment, holsters, and accessories. To ensure safe use and longevity of the product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the belt is used only for its intended purpose.
- Regularly inspect the belt for any signs of wear or damage before each use.
- Do not exceed the weight limit of the belt as specified in the product specifications.
- Keep the belt away from sharp objects that may cause cuts or tears.
- Store the belt in a cool, dry place away from direct sunlight when not in use.
- Follow all local laws and regulations regarding the use of tactical gear.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is not intended for use by children. Ensure that it is used only by individuals aged 18 and older.
- **Proper Fit:** Measure your waistline circumference to select the appropriate size. Refer to the sizing section for guidance.
- **Avoid Metal Contact:** The inner belt has a hook design that should not be worn against the body. Ensure that the loop side is facing inward.
- **Secure Equipment:** Make sure all equipment and accessories are securely attached to the belt before use to prevent accidents.
- **Emergency Use:** In case of emergency situations, ensure that all attachments can be quickly released if necessary.

## Instructions for Installation and Usage

### 1. Selecting the Size:

- Measure your waistline circumference for accurate sizing.
- Choose the appropriate size based on the following:
  - Size S: Fits waist sizes 27"32" (Ideal fit 27"31")
  - Size M: Fits waist sizes 31"36" (Ideal fit 31"34")
  - Size L: Fits waist sizes 35"41" (Ideal fit 35"39")
  - Size XL: Fits waist sizes 40"50" (Ideal fit 40"46")

### 2. Attaching the Inner Belt:

- Begin by threading the inner belt through the loops of your pants.
- Ensure that the hook side of the inner belt is facing outward.
- Adjust the inner belt to fit snugly around your waist.

### 3. Securing the Outer Belt:

- Place the outer belt over the inner belt with the loop side facing the inner belt.
- Thread the outer belt through the buckle and secure it tightly.
- Attach any additional equipment or accessories to the PALS webbing as needed.

#### **4. Adjusting for Comfort:**

- Once both belts are in place, adjust the fit for comfort.
- Ensure that there is no pinching or discomfort when moving.

#### **5. PostUse Care:**

- After use, remove the belt and inspect it for any signs of wear or damage.
- Store the belt properly to maintain its condition.

## **Disposal Instructions**

- Dispose of the ASSAULTER BELT SYSTEM V3 in accordance with local regulations.
- If the product is damaged beyond repair, consider recycling components where possible.
- Do not dispose of the product in regular household waste if it contains materials that can be harmful to the environment.

## **Contact Information for Further Support**

For any questions or concerns regarding the ASSAULTER BELT SYSTEM V3, please refer to the contact information provided in the product packaging or visit the manufacturer's website for support resources.

By following these guidelines, you can ensure the safe and effective use of the ASSAULTER BELT SYSTEM V3. Thank you for your commitment to safety!
