Safety Instruction Guide for GBRS Group X Priority 1 IWB Holster for Glock® 9MM/.40 S&W

Introduction

Thank you for choosing the GBRS Group X Priority 1 IWB Holster for your Glock® 9MM/.40 S&W. This guide provides essential safety instructions to ensure the safe use of the holster. Please read this guide carefully to understand how to use, install, and dispose of the product safely.

General Safety Guidelines

- Ensure that the holster is designed for your specific model of Glock® (models 17, 19, 19X, 22, 23, 34, 35, 45).
- Always check that the firearm is unloaded before inserting it into the holster.
- Avoid using the holster in wet or damp conditions to maintain its integrity and functionality.
- Keep the holster out of reach of children and unauthorized users.
- Regularly inspect the holster for any signs of wear or damage. If any issues are detected, discontinue use immediately.
- Be aware of your surroundings and ensure that the holster is secure during physical activities.

Specific Safety Precautions for Use

- Ensure that the adjustable cant is set to your preferred angle (0 or 15 degrees) before use.
- Make sure the retention screw is properly secured to prevent accidental release of the firearm.
- Always use the holster with the belt clip attached to secure it inside your waistband.
- If using aftermarket sights, verify that they are compatible with the holster.
- Use caution when drawing your firearm from the holster to avoid accidental discharge.
- Be mindful of the concealment wing feature, which helps rotate the grip towards your body and reduces printing.

Instructions for Installation and Usage

1. Installation:

- Choose the appropriate model of the holster for your Glock®.
- Ensure that the retention screw is loosened before inserting the firearm.
- Insert the unloaded firearm into the holster, ensuring that it is seated properly.
- Adjust the retention screw to achieve your desired level of retention.
- Secure the holster to your waistband using the discreet carry monoblock clip, ensuring it is firmly attached.

2. Usage:

- Always ensure the firearm is unloaded before holstering.
- To draw the firearm, grip the holster firmly and pull the firearm straight out with a controlled motion.
- After use, reholster the firearm with caution, ensuring it is properly seated in the holster.
- Store the holster in a safe location when not in use.

Disposal Instructions

- When disposing of the holster, ensure it is done in accordance with local regulations regarding plastic and thermoplastic materials.
- Do not dispose of the holster in fire, as this may release harmful substances.
- If the holster is damaged or no longer in use, consider recycling the materials if possible.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the GBRS Group X Priority 1 IWB Holster, please refer to the manufacturer's website or customer support resources.

By following these safety instructions, you can ensure a safe and effective experience with your GBRS Group X Priority 1 IWB Holster. Always prioritize safety and responsible handling of your firearm.
