Consumer Safety Instruction Guide for GBRs Group Shotgun Shell Sleeve

Introduction

Thank you for choosing the GBRs Group Shotgun Shell Sleeve. This product is designed to provide a lightweight and intuitive solution for storing and retrieving shotgun shells. To ensure your safety and the proper use of this product, please read this guide carefully.

General Safety Guidelines

- Always inspect the shotgun shell sleeve for any signs of damage before use.
- Ensure that the sleeve is compatible with your shotgun and magazine pouch.
- Keep the shotgun shell sleeve out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents related to the use of this product to the appropriate authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform regularly.

Specific Safety Precautions for Use

- Do not overload the shotgun shell sleeve beyond its capacity of 4 rounds.
- Ensure that the shotgun shells are securely placed in the sleeve to prevent accidental dislodging.
- Avoid using the shotgun shell sleeve in wet or extreme weather conditions, as this may affect the materials.
- Always handle ammunition with care and follow standard safety protocols for firearms.
- Do not use the shotgun shell sleeve for any purpose other than its intended use.

Instructions for Installation and Usage

1. Installation:

- Align the shotgun shell sleeve over your Single Rifle Magazine Pouch.
- Ensure that the sleeve fits snugly and securely over the pouch.
- Adjust the positioning if necessary to achieve a comfortable fit.

2. Usage:

- Load the shotgun shells into the sleeve by inserting them into the designated slots.
- Ensure that the shells are facing the correct direction for easy retrieval.
- When ready to use, pull the shells out gently to avoid damaging the sleeve or the shells.
- After use, store the shotgun shell sleeve in a cool, dry place.

Disposal Instructions

- Dispose of the shotgun shell sleeve responsibly according to local waste management regulations.
- If the sleeve is damaged or no longer functional, consider recycling the materials if possible.
- Do not dispose of the shotgun shell sleeve in a manner that could pose a risk to the environment or public safety.
