

SIERRATAC REVERSO QUICK-DETACH SLINGS - SPIRITUS SYSTEMS

SIERRATAC REVERSO QUICK DETACH SLING BLACK

SPIRITUS SYSTEMS SIERRATAC REVERSO QUICK-DETACH SLINGS The Reverso Sling was developed and field tested by professional end-users in both the LEO and Military realms. Every detail of the sling was meticulously thought out to provide the end user with an optimal solution for securing their weapon. Make no mistake, this sling was designed with real world operations in mind. Each sling comes with a durable rubber sling retention band that is designed to withstand abrasion and keep the sling secure when not in use. The band features a thicker side wall than most industrial bands for added durability. The removable sling pad is constructed using X-Pac and Spacer Mesh to provide superior comfort, durability, and prevent sling webbing from rubbing against your neck. NOTE: This sling comes with 2 QD Sling Swivels Pre-Installed FEATURES SIERRATAC Proprietary Billet Aluminum Slider allows for quick tension adjustment to the sling without the inherent danger of a tail snagging other items. The slider acts as a solid indexing point under stressful or dark conditions. The slider does have machined slots that allow the user to add a small pull tab to it if desired. Reversed loosening and tightening of the sling Pre-Installed Quick Detach Sling Swivels Removable Sling Pad The Sierra Tac Reverso sling was developed, prototyped and produced by SIERRATAC. Spiritus Systems is honored that SIERRATAC has chosen us to provide them with the latest development in the lineup. Important: The Reverso Sling is intended to be used with looped sling hardware for the webbing to properly slide when adjusted.

Safety Instruction Guide for SIERRATAC REVERSO QUICKDETACH SLINGS

Introduction

Thank you for choosing the SIERRATAC REVERSO QUICKDETACH SLING. This guide provides essential safety information, installation instructions, and usage guidelines to ensure that you use this product safely and effectively. Please read this document carefully before using the sling.

General Safety Guidelines

- Always inspect the sling before each use for any signs of wear or damage.
- Ensure that the sling is properly attached to your weapon before use.
- Use the sling only for its intended purpose as described in this guide.
- Keep the sling out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Potential Hazards:** The following hazards may be associated with the use of the sling:
 - Risk of entanglement with loose ends or improperly secured equipment.
 - Risk of injury if the sling is not securely attached to the weapon.
- **Avoiding Hazards:**
 - Ensure that the sling is adjusted to the correct length for your use.
 - Do not use the sling with incompatible hardware.
 - Always use the sling in a controlled environment, free from obstacles that may cause entanglement.
- **Age Specific Warnings:** This product is not intended for use by children. Ensure that it is kept out of reach of minors.

Instructions for Installation and Usage

1. Installation:

- Ensure that you have the necessary looped sling hardware for proper installation.
- Attach the QD sling swivels to the designated points on your weapon.
- Make sure the swivels click securely into place.

2. Adjustment:

- Use the SIERRATAC Proprietary Billet Aluminum Slider to adjust the sling tension.
- Pull the slider to tighten or loosen the sling as needed. Ensure it is secure before use.

3. Usage:

- Place the sling over your shoulder and adjust it for comfort and stability.
- Ensure that the removable sling pad is positioned correctly to prevent discomfort.
- Always check the security of the sling before engaging in any activity.

Disposal Instructions

- Dispose of the sling in accordance with local regulations.
- If the sling is damaged or no longer usable, do not attempt to repair it. Instead, dispose of it responsibly.

Contact Information for Further Support
